SCHEDULE.

HAND-SIGNALS.

(Bye-laws 13 (d) and 14 (b).)

On approaching cross streets or a street intersection or junction, or whenever the driver or person in charge of the motor car, bicycle or vehicle intends to change the course direction or speed thereof, he shall make use of whichever of the following signals is appropriate for the purpose of indicating his intentions to other users of the street, such signals, in the case of a driver of a motor car, to be given with the arm projecting from the side of the motor car at least as far as the elbow :—

- (a) when about to slow down or to stop, extend the right arm with the palm or the hand turned downwards, and move the arm slowly up and down, keeping the wrist loose ;
- (b) when about to turn to the right, extend the right arm and hand with the palm turned to the front, and hold them rigid in a horizontal position, and in the case of a motor car, straight out from the off side of the motor car ;
- (c) when about to turn to the left, in the case of a motor car, extend the right arm and rotate it from the shoulder in an anticlockwise direction, and in the case of a bicycle or other vehicle, extend the left arm and hand with the palm turned to the front, and hold them rigid in a horizontal position ;
- (d) when indicating to following traffic that it may overtake on the right, extend the right arm and hand below the level of the shoulder and move them backwards and forwards.

The above bye-laws have been approved by His Excellency the Governor.
