Originally published by: Ministry of Transport and Communications

(This translation is for information purposes only)

Laid down by the Ministry of Transport and Communications on 16 October 2006 pursuant to Act No. 100 of 11 June 1993 on the Establishment and Operation of Railways, including Tramways, Underground Railways and Suburban Railways etc., (Railways Act), section 3a, section 3b and section 6.

Section 1 Scope

These regulations apply to personnel who perform tasks related to safety on railways, including tramways, underground railways and suburban railways etc.

“Personnel” means persons performing duties for a railway undertaking.

For the purpose of these regulations “railways” include funicular railways.
