The grantee shall not dispose or lease its facilities except to entities with radio or television broadcasting franchise: *Provided*, That the grantee shall inform and secure written authorization to proceed from the NTC, and report the transaction to the NTC within sixty (60) days after its completion: *Provided, further*, That the NTC shall determine the corresponding sanction for any violation of this provision.

SEC. 4. *Responsibility to the Public.* - The grantee shall provide, free of charge, adequate public service time which is reasonable and sufficient to enable the government, through the pertinent populations or portions thereof, on important public issues and relay important public announcements and warnings concerning public emergencies and calamities, as necessity, urgency or law may require; provide at all times sound and balanced programming; promote public participation; assist in the functions of public information and education; conform to the ethics of honest enterprise; promote audience sensibility and empowerment including closed captioning; and not use its stations or facilities for the broadcasting of obscene or indecent language, speech, act or scene; or for the dissemination of deliberately false information or willful misrepresentation, to the detriment of the public interest; to incite, encourage, or assist in subversive or treasonable acts.

The NTC shall issue rules and regulations for this purpose, the effectivity of which shall commence upon applicability with other similarly situated broadcast network franchise holders.

SEC. 5. *Right of the Government* . -The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the State and may be withdrawn any time after due process.
