SECTION I. *Nature and Scope of Franchise.*- Subject to the provisions of the Constitution and applicable laws, rules and regulations, there is hereby granted to Bohol Chronicle Radio Corporation, hereunder referred to as the grantee, its successors or assignees, a franchise to construct, install, establish, operate and maintain for commercial purposes and in the public interest, radio broadcasting stations in the Province of Bohol where frequencies and/or channels are still available for radio broadcasting, including digital radio system, through microwave, satellite or whatever means, as well as the use of any new technology in radio systems, with the corresponding technological auxiliaries and facilities, special broadcast and other program and distribution services and relay stations.

SEC. 2. *Manner of Operation of Stations or Facilities.* - The stations or facilities of the grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own privilege to use its assigned wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the grantee's services and/or the availability thereof.

SEC. 3. *Prior Approval of the National Telecommunications Commission.* - The grantee shall secure from the National Telecommunications Commission (NTC) the appropriate permits and licenses for the construction and operation of its stations or facilities and shall not use any frequency in the radio/television spectrum without authorization from the NTC. The NTC, however, shall not unreasonably withhold or delay the grant of any such authority.

The grantee shall not dispose nor lease its facilities except to entities with radio or television franchise: *Provided*, That the grantee shall inform and secure written authorization to proceed from the NTC, and report the transaction to the NTC within sixty (60) days after its completion: *Provided, further*, That the NTC shall determine the corresponding sanction for any violation of this provision.

SEC. 4. *Responsibility to the Public.* - The grantee shall provide, free of charge, adequate public service time which is reasonable and sufficient to enable the government, through the broadcasting stations or facilities of the grantee, to reach the pertinent populations or portions thereof, on important public issues and relay

important public announcements and warnings concerning public emergencies and calamities, as necessity, urgency or law may require; provide at all times sound and balanced programming; promote public participation; assist in the functions of public information and education; conform to the ethics of honest enterprise; promote audience sensibility and empowerment including closed captioning; and not use its stations or facilities for the broadcasting of obscene or indecent language, speech, act, or scene; or for the dissemination of deliberately false information or willful misinterpretation, to the detriment of the public interest; or to incite, encourage, or assist in subversive or treasonable acts.

Public service time referred herein shall be equivalent to a maximum aggregate of ten percent (10%) of paid commercials or advertisements which shall be allocated based on need to the executive, legislative, judiciary, constitutional commissions and international humanitarian organizations duly recognized by statutes: *Provided*, That the NTC shall increase the public service time in case of extreme emergency or calamity. The NTC shall issue rules and regulations for this purpose, the effectivity of which shall commence upon applicability with other similarly situated broadcast network franchise holders.

SEC. 5. *Right of the Government.* - The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the Senate and may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order: to temporarily take over and operate the stations or facilities of the grantee; to temporarily suspend the operation of any station or facility in the interest of public safety, security and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee, for the use of said stations or facilities during the period within these shall be so operated.

SEC. 6. *Term of Franchise.* - This franchise shall be in effect for a period of twenty-five (25) years from the effectivity of this Act, unless sooner revoked or cancelled.
