AN ACT GRANTING DESIDERIO DALISAY INVESTMENTS, INC. A TEMPORARY PERMIT TO ESTABLISH, MAINTAIN AND OPERATE PRIVATE FIXED POINT-TO-POINT, COASTAL, LAND-BASED AND LAND MOBILE RADIO STATIONS FOR THE RECEPTION AND TRANSMISSION OF RADIO COMMUNICATIONS WITHIN THE PHILIPPINES.

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. There is hereby granted to Desiderio Dalisay Investments, Inc. a temporary permit to establish, maintain and operate in the Philippines at such places as the grantee may select, subject to the approval of the Secretary of Public Works and Communications, private fixed point-to-point, coastal, aeronautical, land-based and land mobile radio stations for the reception and transmission of wireless messages on radiotelegraphy or radio-telephony, each station to be provided with radio transmitting apparatus and radio receiving apparatus.

SEC. 2. This temporary permit shall continue to be in force during the time that the Government has not established similar service at the places selected by the grantee, and is granted upon the express condition that the same shall be void unless the construction or installation of said stations be begun within one year from the approval of this Act and be completed within two years from said date.

SEC. 3. The grantee, its successors or assigns, shall not engage in domestic business of telecommunications in the Philippines without further special assent of the Congress of the Philippines, it being understood that the purpose of this temporary permit is to secure to the grantee the right to construct, install, maintain and operate private radio stations in such places within the Philippines as the interest of the grantee may justify.

SEC. 4. No fees shall be charged by the grantee as the radio stations that may be established by virtue of this Act shall engage in communications regarding the grantee's business only.

SEC. 5. The grantee, its successors or assigns, shall so construct and operate its radio stations as not to interfere with the operation of other radio stations maintained and operated in the Philippines.

SEC. 6. The grantee, its successors or assigns, shall hold the national, provincial, city and municipal governments of the Philippines harmless from all claims, accounts, demands or actions arising out of accidents or injuries, whether to property or persons, caused by the construction or operation of its radio stations.
