

[REPUBLIC ACT NO. 2358, June 20, 1959]

**AN ACT GRANTING TO THE SAN JOSE OIL COMPANY, INC., A
TEMPORARY PERMIT TO CONSTRUCT, MAINTAIN AND OPERATE
PRIVATE FIXED POINT-TO-POINT, PRIVATE COASTAL AND
PRIVATE BASED STATIONS FOR THE TRANSMISSION AND
RECEPTION OF RADIO COMMUNICATIONS WITHIN THE
PHILIPPINES.**

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. There is hereby granted to the San Jose Oil Company, Inc., its successors or assigns, a temporary permit to construct, maintain and operate in the Philippines, at such places as the said company may select, subject to the approval of the Secretary of Public Works and Communications, private fixed point-to-point, private coastal and private based radio stations for the transmission and reception of wireless communications on radio-telegraphy and radiotelephony, each station to be provided with a radio transmitting apparatus and a radio receiving apparatus.

SEC. 2. This temporary permit shall continue to be in force during the time that the government has not established similar service at the places selected by grantee, and is granted upon the express condition that the same shall be void unless the grantee shall start the operation of said stations within one and a half years from the date of approval of this Act.

SEC. 3. The grantee, its successors or assigns, shall not engage in domestic business of telecommunications in the Philippines without further special assent of the Congress of the Philippines, it being understood that the purpose of this temporary permit is to secure to the grantee the right to construct, install, maintain and operate private fixed point-to-point, private coastal and private based stations in such places within the Philippines as the interest of the company and of its trade and business may justify.

SEC. 4. No fees shall be charged by the grantee as the radio stations that may be established by virtue of this Act shall engage in communications regarding the grantee's business only.

SEC. 5. This temporary permit shall not take effect until the Secretary of Public Works and Communications shall have allotted to the grantee the frequencies and wave lengths to be used thereunder, but the grantee, its successors or assigns, may use the international distress frequency whenever necessary.

SEC. 6. The grantee, its successors or assigns, shall so construct and operate its radio stations as not to interfere with the operation of other radio stations maintained and operated in the Philippines.
