**AN ACT GRANTING THE INSULAR LUMBER COMPANY A  
TEMPORARY PERMIT TO CONSTRUCT, ESTABLISH, MAINTAIN  
AND OPERATE PRIVATE FIXED POINT-TO-POINT RADIO  
STATIONS FOR THE RECEPTION AND TRANSMISSION OF RADIO  
TELEPHONIC OR RADIO TELEGRAPHIC COMMUNICATIONS  
WITHIN THE PHILIPPINES.**

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

SECTION 1. There is hereby granted to the Insular Lumber Company, its successors or assigns, a temporary permit to construct, establish, maintain and operate in the Philippines, at such places as the said company may select, subject to the approval of the Secretary of Public Works and Communications, private fixed point-to-point radio stations for the reception and transmission of wireless messages on radiotelegraphy or radiotelephony, each station to be provided with a radio transmitting apparatus and a radio receiving apparatus.

SEC. 2. The President of the Philippines shall have the power and authority to permit the location of said private fixed point-to-point radio stations or any of on lands of the public domain upon such terms as he may prescribe.

SEC. 3. This temporary permit shall continue to be force during the time that the government has not established similar service at the places selected by the grantee, and is granted upon the express condition that the same shall be void unless the construction of said stations be begun within one year from the date of approval of this Act and be completed within two years from said date.

SEC. 4. The grantee, its successors or assigns, shall not engage in domestic business of telecommunications in the Philippines without further special assent of the Congress of the Philippines, it being understood that the purpose of this temporary permit is to secure to the grantee the right to construct, establish, maintain and operate private fixed point-to-point radio stations in such places within the Philippines as the interest of the company and of its trade and business may justify.

SEC. 5. This temporary permit shall not take effect until the Secretary of Public Works and Communications shall have allotted to the grantee the frequencies and wave lengths to be used thereunder, but the grantee, its successors or assigns, may use the international distress frequency of five hundred kilocycles and the high distress frequency of eight thousand two hundred eighty kilocycles whenever necessary.

SEC. 6. No fees are chargeable, as the radio stations that may be established by
