

**[ REPUBLIC ACT NO. 790, June 21, 1952 ]**

**AN ACT GRANTING TO THE ACOJE MINING CO., INC., A  
TEMPORARY PERMIT TO CONSTRUCT, MAINTAIN AND OPERATE  
PRIVATE FIXED POINT-TO-POINT AND PRIVATE COASTAL  
RADIO STATIONS FOR THE RECEPTION AND TRANSMISSION OF  
RADIO COMMUNICATIONS WITHIN THE PHILIPPINES.**

*Be it enacted by the Senate and House of Representatives of the Philippines in  
Congress assembled:*

SECTION 1. There is hereby granted to the Acoje Mining Co., Inc., its successors or assigns, a temporary permit to construct, maintain and operate in the Philippines, at such places as the said grantee may select, subject to the approval of the Secretary of Public Works and Communications, private fixed point-to-point and private coastal radio stations for the reception and transmission of wireless messages on radiotelegraphy or radiotelephony, each station to be provided with a radio transmitting apparatus and a radio receiving apparatus.

SEC. 2. The President of the Philippines shall have the power and authority to permit the location of said private fixed point-to-point and private coastal radio stations or any of them on lands of the public domain upon such terms as he may prescribe.

SEC. 3. This temporary permit shall continue to be in force during the time that the Government has not established similar service at the places selected by the grantee, and is granted upon the express condition that it shall be void unless the grantee shall start the operation of said stations within one and one-half years from the date of approval of this Act.

SEC. 4. The grantee, its successors or assigns, shall not engage in domestic business of telecommunication in the Philippines without further special assent of the Congress of the Philippines, it being understood that the Purpose of this permit is to secure to the grantee the right to construct, maintain and operate private fixed point-to-point and private coastal radio stations in such places within the Philippines as the interest of the company and of its trade and business may justify.

SEC. 5. This temporary permit shall not take effect until the Secretary of Public Works and Communications shall have allotted to the grantee the frequencies and wave lengths to be used thereunder, but the grantee, its successors or assigns may use the international distress frequency of five hundred kilocycles and the high frequency distress frequency of eight thousand two hundred eighty kilocycles whenever necessary.

SEC. 6. No fees shall be charged by the grantee, as the radio stations that may be established by virtue of this Act shall engage in communications regarding the grantee's business only.
