

## [ EXECUTIVE ORDER NO. 89, July 10, 1964 ]

### CREATING THE SUGAR DEVELOPMENT COMMITTEE UNDER THE OFFICE OF THE PRESIDENT

Pursuant to the authority conferred upon me by law, in acknowledgment of the need for the implementation of nationwide development programs for the sugar industry as a potent force in economic development and general social welfare, and in view of the industry's capacity for rapid and expansive growth, I, Diosdado Macapagal, President of the Philippines, do hereby create the Sugar Development Committee under the Office of the President.

1. The Committee shall have the following functions and responsibilities:

(a) As a deliberative body concerned with the problem of the entire sugar industry, to discuss and objectify current situations confronting the industry;

(b) As a recommendatory council representing the interests of the industry, to draft and submit concrete recommendations to the President concerning policies and action programs which affect the industry;

(c) As a planning committee concerned mainly with the future requirements for sustained growth of the industry, to conduct research and market development programs designed to accomplish the objectives of growth in the sugar industry; and

(d) As an implementing body geared toward the proper execution and management of policies and action programs approved and proclaimed by the President, to harness available potential resources from both government and private sectors for the development of the industry.

2. The Committee shall be composed of eleven members:
