

**[NMIS MEMORANDUM ORDER NO. 12-2011-169,
March 12, 2012]**

**IMPLEMENTING GUIDELINES IN THE ACCREDITATION OF MEAT
ESTABLISHMENT EQUIPMENT & FACILITY SUPPLIER**

WHEREAS, pursuant to the provision of RA 9296, also known as The Meat Inspection Code of the Philippines, the National Meat Inspection Service (NMIS) shall implement the Meat Establishment Improvement Program (MEIP) for Local Government Units (LGUs) to upgrade existing meat facilities to national standards for accreditation.

WHEREAS, the Department of Agriculture Memorandum Circular No. 01, Series of 2007 provides that only accredited contractors and fabricators shall be allowed to participate in the bidding of projects with funding from the Meat Establishment Improvement Program (MEIP) under the General Appropriations Act.

WHEREAS, the above cited Memorandum Circular likewise provides that an accreditation guidelines for meat establishment contractors for facilities and fabricators for equipment shall be implemented by NMIS.

WHEREAS, there is also a need to accredit local suppliers of meat establishment equipment, cooling facilities and systems manufactured abroad.

NOW, THEREFORE, **I, ATTY. JANE C. BACAYO**, Executive Director of the Department of Agriculture – National Meat Inspection Service (DA-NMIS), in accordance with the Meat Inspection Code of the Philippines, hereby issue this Order to implement accreditation of meat establishment equipment & facility suppliers.

**Section I
Scope**

This Order shall apply to meat establishment equipment & facility suppliers, to gain eligibility in the bidding of projects under the MEIP and other related meat establishment programs and projects.

**Section II
Definition of Terms**

The following words when used in this Order shall mean as follows:

Accreditation – the procedure whereby the concerned government agency or

bureau gives formal recognition to a person, firm, corporation or entity having competence and legal character to perform activities or functions as certified.

Contractor – any person, firm, corporation or entity duly registered with the Philippine Contractor Accreditation Board (PCAB) and licensed to perform activities such as, but not limited to build, construct, erect, repair, and rehabilitate meat establishment buildings, facilities, grounds and other components.

Fabricator – any person, firm, corporation or entity duly registered with the Securities and Exchange Commission (SEC) and/or the Department of Trade and Industry (DTI) to perform activities such as, but not limited to manufacture, distribute, install, produce, invent and test run operation of meat establishment machinery and equipment.

Supplier – any person, firm, corporation or entity duly registered with the Securities and Exchange Commission (SEC) and/or the Department of Trade and Industry (DTI) to perform activities, such as, but not limited to supply, assemble, install, and test run operation of meat establishment machinery, cooling facilities and systems where the principal is based abroad.

Section III

Section IV

Application Procedure and Evaluation Process

The NMIS Regional Technical Operations Center (NMIS RTOC) shall accept applications for accreditation as meat establishment equipment & facility **supplier** for initial review and evaluation (such as Application Requirements listed in Section III) and collect application fees and other official charges to be remitted to the national Treasury. The RTOC shall then submit the application with all required documents to the Office of the Executive Director for processing and final evaluation by the Committee created for this purpose.

The Committee, headed by the NMIS Deputy Executive Director, with the members from the NMIS Accreditation, Registration and Enforcement Division (ARED) both from Central and Regional Offices, DA Regional Field Unit – Regional Agricultural Engineering Division (RAED), and Agricultural Machinery Testing and Evaluation Center (AMTEC) shall conduct actual evaluation of the applicant.

Upon validation and satisfactory compliance with the requirements, the Committee shall recommend to the Office of the Executive Director the approval or disapproval of the application. If approved, the corresponding accreditation certificate will be issued. If disapproved, the NMIS shall inform the applicant in writing, citing reasons thereof.

Section V
