

**[LTFRB MEMORANDUM CIRCULAR NO. 2002-005,
APRIL 3, 2002, April 03, 2002]**

**SUSPENSION OF THE ISSUANCE OF PROVISIONAL AUTHORITY
FOR CPC WHICH APPLICATION FOR EXTENSION OF VALIDITY IS
PENDING BEFORE THIS BOARD**

Due to the clamor of various transport groups, this Board will no longer issue a Provisional Authority for a Certificate of Public Convenience (CPC) of a public utility vehicle when an application for extension of its validity has been filed before this Board.

As a necessary consequence, the Land Transportation Office (LTO), the Traffic Management Group (TMG), the Metro Manila Development Authority (MMDA), and/or other traffic enforcers are hereby ordered not to apprehend any public utility vehicle falling under this category provided that the driver of the unit can show a copy of application for extension of validity duly received by this Board.

This Memorandum Circular shall take effect immediately.
