

**[ DOLE DEPARTMENT ORDER NO. 17, October 04, 1994 ]**

**DEPLOYMENT OF TRAINEES UNDER THE FOURTH CATEGORY OF THE REPUBLIC OF KOREA'S ALIEN INDUSTRIAL TECHNOLOGY TRAINING PROGRAM**

The fourth category of the Republic of Korea's Alien Industry Technology Training Program (AITTP) provides a rare opportunity for Filipino trainees, under a supervised training environment, to be able to learn new industrial skills and technologies while they earn. Unlike the other labor markets for Filipino workers where the emphasis is on high wage, low risk job categories, the AITTP which is being managed by the Korean Federation of Small Business (KFSB) will facilitate in its drive to become a newly industrializing country.

For purposes of administrative and operation efficiency, the following rules shall apply:

**1**

**Special Task Force for South Korea**

In view of the peculiar mechanics in the recruitment for this fourth category of trainees, a special task force to be based at the POEA Facilitation and Review Office (FARO) shall handle the documentary processing for the Korea training program.

**2**

**Issuance of a Certificate of Participation**

In lieu of accreditation certificate, the FARO shall issue a certificate of participation to the participating agencies of the following:

- a) letter from the KFSB to the participating agency concerned officially notifying the letter of its selection by the former to supply trainees for Korea.
- b) Basic Contract for the Recommendation of Trainees signed by the KFSB and the participating agency, duly authenticated and the Office of the Labor Attache in Seoul.
- c) Individual Basic Contract for the Recommendation of Trainees signed by the KFSB and the participating agency, duly authenticated and verified.
- d) Model Cooperation Contract between the Training Company and the participating agency.
- e) Model Cooperation Contract between the training company and the trainee duly authenticated and verified.
