1.2 Carrier vessel/airline/forwarder/agent

1.3 Port of loading

2. Raw Materials Sourcing

2..1 Local or Imported

2.2 If imported — the corresponding IA or LSI and import entry number of materials used.

The simplified application for Textile Export Clearance and amendment forms shall be available on June 14, 1993. Effective June 21, 1993 and thereafter only the simplified applications shall be accepted for processing of Textile Export Clearance and amendments.
