Playing of the National Anthem

EXECUTIVE ORDER No. 99, issued by President Fidel V. Ramos on June 12, 1993 requires the playing of the National Anthem for sign-on and sign-off purposes in all cinema houses. The National Anthem shall be in accordance with the musical arrangement and composition of Julian Felipe - in other words, the original version. The playing of the National Anthem should be preceded by an announcement and the people in the theater should be asked to stand and to place their right hand over their left chest.

Let us do our share in renewing our love for our country in this simple way.

For compliance.

Adopted: 30 July 1993
