

**[ DAR ADMINISTRATIVE ORDER NO. 11 S. 1991,  
October 02, 1991 ]**

**RULES AND PROCEDURES GOVERNING THE ISSUANCE OF CARP  
BENEFICIARY CERTIFICATES (CBC)**

**A  
Policy Statements**

Section 24 of Republic Act No. 6657 provides that the rights and responsibilities of the beneficiary shall commence from the time the DAR makes an award of the land to him, which award shall be completed within 180 days from the time the DAR takes actual possession of the land. Ownership of the land by the beneficiary shall be evidenced by an Emancipation Patent (EP) or a Certificate of Landownership Award (CLOA), which shall contain the restrictions and conditions provided by law, and which shall be recorded in the Register of Deeds concerned and annotated on the Certificate of Title.

In several instances, however, the EP or CLOA cannot be immediately issued pending the fulfillment of certain legal and administrative requirements. Examples of these are:

- the Supreme Court ruling in the case "Association of Small Landowners in the Philippines, Inc., et al. versus the Honorable Secretary of Agrarian Reform" (G.R. No. 78742, 14 July 1989) that title to all expropriated properties shall be transferred to the State only upon full payment of compensation to their respective landowners;
- the conduct of subdivision surveys to define the specific parcel of land being awarded through the EP or CLOA; and
- the consolidation of titles in foreclosure proceedings for lands acquired and distributed through Executive Order (EO) No. 407, series of 1990, as amended by EO No. 448, series of 1991.

Thus, pending the fulfillment of the said requirements, the identified beneficiaries may already be in possession of the land but still have no EP or CLOA therefor. For this reason, the DAR shall first issue a CARP Beneficiary Certificate (CBC) to provide the would-be beneficiaries an intermediate document to evidence that they have been identified and have qualified as agrarian reform beneficiaries under the CARP.

Moreover, aside from attesting to the inchoate right of the identified beneficiary to be awarded the land or portion thereof, the CBC issued shall entitle the recipient to receive support services under the CARP

### **Coverage**

CBCs shall be issued to farmers or farm-workers who have been properly identified and have qualified as beneficiaries of the CARP and have executed the required Application to Purchase-Farmer's Undertaking (APFU) or Land Valuation Summary-Farmer's Undertaking (LVSFU). Moreover, these qualified beneficiaries must be in actual possession of the land to be awarded to them, either because they are tenants, they are already working on the land under a system of labor administration, or the landowner does not object to the takeover by the DAR and the beneficiaries.

With respect to the land, CBCs shall be issued for:

1. all lands covered by CARP for which Notices of Acquisition (CARP Form Nos. 10 or 11, Administrative Order No. 9, series of 1990) have been issued by the Regional Director;
2. agricultural landholdings (private or public) turned over to the DAR through a Deed of Transfer or Memorandum of Agreement pursuant to EO No. 407, as amended by EO No. 448, and other laws;
3. areas for which EPs have already been generated but cannot be registered in view of LRA Circular No. 29 dated October 1, 1990, as supplemented by LRA Circular No. 29-A dated November 7, 1990, and other constraints; and
4. areas covered under Operation Land Transfer which have not been covered by a Certificate of Land Transfer (CLT) or an EP, as well as those subject to subsequent land transfer actions.
