

**MEMORANDUM OF UNDERSTANDING BETWEEN THE
GOVERNMENT OF THE REPUBLIC OF THE PHILIPPINES AND THE
GOVERNMENT OF AUSTRALIA RELATING TO THE TREE
PRODUCTION TECHNOLOGIES FOR THE PHILIPPINES AND
TROPICAL AUSTRALIA**

1. GENERAL

1.1 This MEMORANDUM expresses the understandings of the Government of the Republic of the Philippines and the Government of Australia concerning the responsibilities and contributions respectively of the two Governments with regard to the implementation of the ACIAR Project No. FST/96/110 Tree Production Technologies for the Philippines and Tropical Australia.

1.2 The project aims to conclude earlier research to improve the productivity of tree plantations in the Philippines and tropical/sub-tropical Australia. It will evaluate tree and shrub species with a variety of end uses, on different sites, to develop a better understanding of edaphic/climatic requirements of particular species/provenances. The project is further described in Attachment 1 of this Memorandum of Understanding.

2. DEFINITIONS

In This Memorandum:

"Australian institutions, firms and organisations" means Australian institutions, firms or organisations engaged in the project;

"Australian personnel" means Australian nationals or permanent residents or other persons who are not nationals or permanent residents of the Philippines, who are working in the Philippines on the project and whose salaries or other costs are funded from the contribution of the Government of Australia to the project;

"dependant/dependent" means the spouse or unmarried minor children of a member of the Australian personnel or any other person recognised by the two Governments as a

dependant/dependent of a member of the Australian personnel;

"professional and technical material" means equipment, motor vehicles, and other goods imported by members of the Australian personnel or Australian institutions, firms and organisations for their professional use in carrying out their assigned duties under the project and paid for from funds provided by the Government of Australia.

"project supplies" means equipment, material and other goods supplied for the execution of the project, the cost of which is funded from the contribution of the Government of Australia to the project;

"services" means services performed by individuals or by general professional partnerships registered in the Philippines as detailed in Attachment 1;

"personal and household effects" means equipment, motor vehicles and other goods imported by Australian personnel or Australian institutions, firms and organisations for the personal use of Australian personnel and their dependents while engaged in the project;

3. COORDINATING AUTHORITIES AND IMPLEMENTING AGENCIES

3.1 Each Government will implement the research project through respective co-ordinating authorities.

3.2 The Department of Foreign Affairs hereinafter referred to as the DFA, will be the Philippine Co-ordinating Authority. The Australian Centre for International Agricultural Research, hereinafter referred to as ACIAR, will be the Australian Co-ordinating Authority.

3.3 Under the terms of this Memorandum of Understanding, the DFA nominates the Philippine Council for Agriculture, Forestry and Natural Resources Research and Development; University of the Philippines at Los Banos; Visayas State College of Agriculture; and the Department of Environment and Natural Resources Regions 7 and 8, hereinafter referred to as PCARRD, UPLB, ViSCA and DENR respectively, to carry out the project on its behalf, and ACIAR nominates the University of Queensland, hereinafter referred to as UQ, to carry out the project on its behalf, as described and detailed in Attachment 1.

4. CONTRIBUTIONS

4.1 The contributions of the Government of the Republic of the Philippines and the Government of Australia as described in Attachment 1 are estimated to value Seven Hundred and Twenty Nine Thousand Dollars (AUD\$729,000) and Two Hundred and Ten Thousand One Hundred and Thirty Eight Dollars (AUD\$210,138) respectively. The financial contribution of the Government of the Republic of the Philippines will be subject to its annual Congressional appropriations. The financial contribution of the Government of Australia will be subject to the normal annual parliamentary approval of appropriations.

4.2 Further to the estimated contributions above, additional funds will be provided by the Government of the Republic of the Philippines for payment of taxes incurred through implementation of the project.

5. PERSONNEL

5.1 The Government of the Republic of the Philippines and the Government of Australia will provide personnel possessing the competence required for the project, including Philippine and Australian project leaders. The project leaders will have responsibility

for effective implementation in their respective countries.

5.2 Personnel composition in UQ, PCARRD, UPLB, ViSCA and DENR are described in Attachment 1.
