

**[LTFRB MEMORANDUM CIRCULAR NO. 2007-040,
November 20, 2007]**

YEARLY TESTING AND RESEALING OF TAXIMETER

It has been a policy of this Board since our predecessor Public Service Commission (PSC) that testing and resealing of the taxi unit and its taximeter shall be made twice a year. In order to simplify the process of testing and resealing, grantees of Certificate/s of Public Convenience to Operate Taxi services shall now subject all its unit/s for testing and resealing once a year. However, payment for two (2) testing and resealing for a year shall be assessed and collected in the amount of one hundred ninety pesos (P190.00) with the following scheme:

1. Those units ending with Plate Number 1 shall be tested and resealed on month of January depending on the middle number of the unit;
2. Those units ending with Plate Number 2 shall be tested and resealed on month of February depending on the middle of the unit;
3. Those units ending with Plate Number 3 shall be tested and resealed on month of March depending on the middle number of the unit, and so on and so forth.

All issuances inconsistent herewith are hereby superseded and amended accordingly.

This Memorandum Circular shall take effect immediately
