WHEREAS, Presidential Decree No. 198 ("PD 198") established the Local Water Utilities Administration (LWUA), mandating it to serve as a "specialized lending institution" for the promotion, development and financing of local water utilities;

WHEREAS, the Local Government Units (LGUs) are responsible for the provision of basic services and facilities as enumerated under Section 17 of the Republic Act No. 7160 (Local Government Code), including among others, the provision of water supply and sewerage services;

WHEREAS, shifts in government financing policies and constraints in the availability of financing from the National Government, and lack of investor confidence in the water supply and sewerage sector and limited capital stock and domestic and foreign borrowing authority have constrained LWUA from providing financing assistance to qualified Water Districts (WDs);

WHEREAS, there is a need to tap financing resources available to the water sector, including international grants, and funding from government financing institutions (GFIs), private financing institutions (PFIs), and LGUs;

WHEREAS, there is a need to review and rationalize current financing policies for the Philippine water supply and sewerage sector to allow for the efficient flow of resources thereto;

WHEREAS, cognizant of the urgency of the aforesaid need, the NEDA Board passed a resolution providing for the reforms in the financing of the water supply and sewerage sector and the creation of an Oversight Committee for the purpose of coordinating and overseeing the implementation of said financing reforms in the Philippine water supply and sewerage sector;

WHEREAS, the implementation of the recommended reforms requires that LWUA, as the focal government agency for financing and institutional development of local WDs, refocus its objectives and rationalize its operation;

WHEREAS, by virtue of Executive Order 123, s. 2002, the regulation of tariffs of WDs will be undertaken by the National Water Resources Board (NWRB) with a proviso that LWUA, consistent with its mandate under PD 198, may continue reviewing the tariff of WDs in which it has financial exposure with the end view of ensuring their financial viability.

WHEREAS, the LWUA is currently attached to the Department of Public Works and Highways (DPWH) by virtue of Executive Order No. 124, s. of 1987;

WHEREAS, rationalization of LWUA's operations require closer policy and program coordination with the Office of the President (OP);

WHEREAS, under Section 31, Chapter 10, Book III of Executive Order No. 292 or the Administrative Code of 1987, the President, in order to achieve simplicity, economy and efficiency, has continuing authority to reorganize the administrative structure of agencies under it;

NOW, THEREFORE, I, GLORIA MACAPAGAL-ARROYO, President of the Republic of the Philippines, by virtue of the powers vested in me by law, do hereby order:
