

**[PRC BOARD OF ARCHITECTURE RESOLUTION NO.
01, S. 2000, January 20, 2000]**

**REVISING THE LOGBOOK OF DIVERSIFIED EXPERIENCE IN
ARCHITECTURE**

WHEREAS, Section 18 (d), Article II of R.A. No. 545, as amended, request that a candidate for licensure examination in architecture must have a record of at least two (2) years of diversified experience as architectural draftsman, clerk-of-work, specification writer or superintendent.

WHEREAS, the United Architects of the Philippines (UAP), the accredited professional organization of architects, submitted to the Board UAP Document No. 210 entitled "Logbook of Diversified Experience in Architecture" which the Board approved and adopted in Board Resolution No. 2, Series of 1994

WHEREAS, for the reason stated in Board Resolution No. 5, Series of 1993, the requirement of diversified experience in licensure examination has not been implemented and in the same Resolution the Board resolved "to require mandatorily and unconditionally the submission of the logbook of Diversified Experience in Architecture" beginning with the second schedule of examination in 1995

WHEREAS, the Board of Architecture realizes that UAP Document No. 210, as approved and adopted, need revisions to reflect the total number of hours rendered by a candidate for examination, the period covered by the training, date when mentor signed the logbook, his/her address, UAP control number, check list of documents and other details for facility in processing of application for examination, easy notification and for administrative controls.

WHEREFORE, the Board resolved as it hereby resolves to request the United Architects of the Philippines (UAP) which drafted the logbook of Diversified Experience in Architecture under UAP Document No. 210, Series of 1984, to revise the said document in accordance with the above observations.

Let copy of this Resolution be furnished the President of the UAP for the desired revision of UAP Document No. 210.
