

**[ POEA MEMORANDUM CIRCULAR NO. 005, S.  
2000, May 08, 2000 ]**

**GUIDELINES ON THE DEPLOYMENT OF FILIPINO NURSES TO THE  
UNITED KINGDOM**

In view of opportunities for the employment of Filipino nurses to the UK, deployment guidelines are prescribed as follows:

**I. Qualification Requirements**

1. Professional Regulation Commission (PRC) registered Filipino nurses may qualify for deployment as *registered nurse* in hospitals and nursing homes in the UK.
2. Only hospitals and nursing homes authorized to conduct supervised training shall be allowed to recruit Filipino nurses.

**II. Accreditation of Principals**

1. Government and private medical institutions (hospitals, nursing homes and other similar institutions) and licensed placement organizations in the UK recruiting Filipino nurses for the said country must undergo the accreditation system.
2. The principal shall submit the following documentary requirements for accreditation with a licensed recruitment agency in the Philippines:

2.1 Government and Private hospitals/nursing homes and other similar institutions

a. Special Power of Attorney in favor of the Philippine agency duly authenticated by the Philippine embassy and with prior notarization by a Commissioner of Oaths in the UK and legalization by the Foreign Commonwealth Office (FCO);

b. Manpower request of the hospital/nursing home stipulating the position of *adaptation nurse* during the adaptation period and *registered nurse* upon UKCC registration, volume of requirements, salary (during and after the adaptation period) and specialization requirements, duly authenticated and verified by the Philippine embassy and with prior notarization by a Commissioner of Oaths in the UK and legalization by the Foreign Commonwealth Office (FCO);

c. Master employment contract, signed by the authorized representative of the hospital/nursing home, and duly authenticated and verified by the Philippine embassy and with prior notarization by a Commissioner of Oaths in the UK and legalization by the Foreign Commonwealth Office (FCO) stipulating the following basic provisions:

- Position of *adaptation nurse* during the adaptation period/supervised practice and registered nurse upon UKCC registration;
  - Basic salary of not lower than £11,000 per annum during the adaptation period/supervised practice and immediately adjusted to salary Grade D or above upon UKCC registration.
  - Payment of nurses' airfares to and from the UK by the employer. Cost of ticket should not be subject to refund by the nurses.
  - Repatriation of nurses' remains and property to point of origin, in case of death, at the foreign principal's expense.
  - Just causes for termination.
  - Applicability of UK laws in the implementation of the employment contract, especially in the resolution of any disputes;
- d. Proof of approval to conduct supervised training.
- e. Business license/registration/articles of incorporation or equivalent document which need not be authenticated/verified.

2.2 Employment service providers/placement organization in the UK shall submit the following documentary requirements:

- a. Special Power of Attorney in favor of the Philippine agency duly authenticated by the Philippine Embassy, with prior notarization by a Commissioner of Oaths in the UK and legalization by the Foreign and Commonwealth Office.
- b. Manpower request of the employment service provider/placement organization stipulating the position of *adaptation nurse* during the adaptation period and registered nurse upon UKCC registration, volume of requirements, salary (during and after the adaptation period) and specialization requirements, duly authenticated and verified by the Philippine embassy and with prior notarization by a Commissioner of Oaths in the UK and legalization by the Foreign Commonwealth Office (FCO). In support of the manpower request, the job order of the client hospital/nursing home issued to the employment service provider/placement organization should be appended to the above cited document;
- c. Master Employment Contract of the client hospital/nursing homes, etc. signed by the authorized representative of the hospital/nursing home, and duly authenticated and verified by the Philippine embassy and with prior notarization by a Commissioner of Oaths in the UK and legalization by the Foreign Commonwealth Office (FCO), stipulating the basic provisions cited in item 2.1.c.
