

**[MIA MEMORANDUM CIRCULAR NO. 139,
November 05, 1998]**

**DEPUTIZATION FOR PURPOSES OF IMPLEMENTING AND
ENFORCING MARITIME SAFETY RULES AND REGULATIONS**

**I
Overview**

The Maritime Industry Authority (MARINA) and the Philippine Coast Guard (PCG) have been tasked to agree on a workable Memorandum of Agreement (MOA) with regard to the enforcement of maritime safety laws. However, in a meeting held last 23 October 1997, the PCG and the MARINA representatives arrived at a consensus that even without a MOA, the PCG is allowed by its charter (RA 5173) to enforce maritime safety laws, rules and regulations. The Commandant of the PCG attested to the fact that as far as his administration is concerned, the functions transferred to MARINA pursuant to Executive Order 125 and Executive Order 125-A will remain with MARINA and the PCG will enforce maritime laws and regulations without need of a MOA.

Despite the foregoing, there was still a continuing clamor for a clearer and more detailed delineation and deputization of functions. Such clearer delineation was necessary to further improve the coordination and cooperation between MARINA as Maritime Administration and the PCG as Maritime Enforcer in the promotion of safety of life and property at sea. To address this concern, the deputization of the PCG is hereby formalized and implemented.
