Confirmation Certificates

LTO Form No. 6, titled Confirmation Certificate, will soon be issued by the Registration Section in lieu of the hand prepared confirmation currently being issued.

This new form shall not require a complementary Official Receipt from the Cash Section of the Central Office. The collection of the Certification Fee shall henceforth be undertake at the District Office level and shall be reflected in the MVRR/MVMRR issued for the registration of the subject motor vehicle/component.

The TDO shall henceforth require 2 copies of the Confirmation Certificate (CC) to be submitted by the registrant: the original and a second copy.

The original shall be made a part of the registration records of the motor vehicle.

The second copy, after registration is effected, shall be completed by filling up the blank spaces at the lower portion of the CC indicating (a) File No., (b) Plate No., (c) CR No., and (d) OR No.. The completed CC shall then be forwarded to the Registration Section under a covering letter containing the number of 2nd copies transmitted and their corresponding CC numbers. The Regional Directors are tasked with seeing to it that these transmittals are received by the Registration Section before the 15th of every month.
