SUBJECT: GUIDELINES ON THE GRANT OF PRODUCTIVITY ENHANCEMENT INCENTIVE (PEI) TO GOVERNMENT EMPLOYEES FOR FISCAL YEAR (FY) 2011

1.0 Background

1.1 The current Administration in FY 2011 has kept the fiscal deficit below target by improving revenue collection, exercising prudent public expenditure management, and promoting transparency and anti-corrupt practices in government transactions. The government has also gained significant headway in channeling funds towards poverty alleviation, provision of quality education and health services, provision of decent and affordable housing, promotion of employment opportunities, improvement of infrastructure, and fostering peace and development. The government is now implementing a Disbursement Acceleration Program to speed up the momentum of public spending and stave off an economic slowdown in the face of a weak global environment.

1.2 Administrative Order (AO) No. 24, "Authorizing the Grant of Productivity Enhancement Incentive to Government Employees for Fiscal Year 2011," was issued by President Benigno S. Aquino III on December 1, 2011, to recognize the accomplishments being achieved through the unwavering support, commitment, and collaborative efforts of all government employees from all sectors and levels of the Philippine bureaucracy.

1.3 A. O. No. 24 is in accordance with items (4) (h) (ii) and (4) (h) (ii) (bb) of the Senate and House of Representatives Joint Resolution No. 4 approved on June 17, 2009, which provides that incentives for government personnel shall include rewards for exceeding agency financial and operational performances targets, and to motivate employee efforts toward higher productivity.
