The Government of the United States of America and the Government of the Republic of the Philippines,

Desiring to amend the Agreement for Cooperation between the Government of the United States of America and the Government of the Republic of the Philippines Concerning Civil Uses of Atomic Energy, signed at Washington on July 27, 1955 hereinafter referred to as the "Agreement for Coporation"), as amended by the Agreement signed at Washington on June 11, 1960.

**ARTICLE I**

Article VII (A) of the Agreement for Cooperation is amended to read as follows:

"The Government of the United States of America and the Government of the Republic of the Philippines, recognizing the desirability of making use of the facilities and services of the International Atomic Energy Agency, agree that the Agency will be promptly requested to assume responsibility for applying safeguards to materials and facilities transferred to the Republic of the Philippines under this Agreement for Cooperation. It is contemplated that the necessary arrangements will be effected without modification of this Agreement, through an agreement to be negotiated between the Parties and the Agency which may include provisions for suspension of the safeguard rights accorded the Commission by Article VI, paragraph C, of this Agreement during the time and to the extent that the Agency's safeguards apply to such materials and facilities."
