

# [ LETTER OF IMPLEMENTATION NO. 121, May 12, 1980 ]

## **REALIGNING, RESTRICTING, UPGRADING AND FURTHER RATIONALIZING THE CLASSIFICATION AND COMPENSATION SCHEME OF THE ENGINEERING AND OTHER RELATED GROUPS OF POSITIONS IN THE NATIONAL GOVERNMENT.**

WHEREAS, engineering and other related positions are vital in the infrastructure and other phases of development of the nation;

WHEREAS, it is imperative to reduce the number of classes in the engineering and other related occupations to a more manageable size pursuant to the Integrated Reorganization Plan and to identify such classes by uniform titles;

WHEREAS, it is necessary to realign, restructure, upgrade and further rationalize the classification and compensation scheme of the engineering and other related groups of positions in addition to the increases authorized under Letter of Implementation No. 82 in line with the level of adjusted salary rates of other professions;

NOW, THEREFORE, I, FERDINAND E. MARCOS, President of the Philippines, by virtue of the powers vested in me by law, do hereby order the implementation of the following measures to restructure the classification and upgrade the compensation of engineers and other related occupations in the national government;

1. The engineering and other related classes of positions covered by the national compensation and classification plans shall be realigned, restructured and upgraded as follows, in addition to the salary increases directed under Letter of Implementation No. 82:
