TO : The Minister of Finance  
The Commissioner, Bureau of Internal Revenue  
All Concerned

WHEREAS, it is the avowed policy of the state to promote the integrated growth and development of the grains industry;

WHEREAS, in consonance with the above policy, Letter of Instruction No. 664 was promulgated on January 28, 1978 exempting grains businessmen from payment of the increases of taxes on gross sales imposed under the new Internal Revenue Code for two years expiring on December 31, 1979;

WHEREAS, due to the successive increases in the prices of fuel and labor, Letter of Instruction No. 874 was issued in June 1979 extending for another Two-Year period the suspension of the increases of gross sales taxes on grains businessmen;

WHEREAS, due to the continuous increases in the prices of fuel and labor and support prices for palay and corn thereby contributing to the low level of profitability of the grains businessmen, it is necessary to further extend the suspension of the increase on gross sales taxes imposed on said businessmen.

NOW, THEREFORE, I, FERDINAND E. MARCOS, President of the Republic of the Philippines, by virtue of the powers vested in me by the Constitution, do hereby direct and order the Minister of Finance and the Commissioner of Internal Revenue to extend for another Two-Year Period beginning December 31, 1981, the suspension of the increase in taxes on the gross sales of rice and corn.
