AIR NAVIGATION ACT  
(CHAPTER 6)

AIR NAVIGATION  
(119 — AIR OPERATOR CERTIFICATION)  
REGULATIONS 2018

In exercise of the powers conferred by section 3A of the Air Navigation Act, the Civil Aviation Authority of Singapore, with the approval of the Minister for Transport, makes the following Regulations:

PART 1

PRELIMINARY

**Citation and commencement**

1. These Regulations are the Air Navigation (119 — Air Operator Certification) Regulations 2018 and come into operation on 1 October 2018.

**Definitions**

2. Any term in these Regulations that is defined in the First Schedule to the Air Navigation (91 — General Operating Rules) Regulations 2018 (G.N. No. S 441/2018) has the meaning given to that term in that Schedule unless the term is otherwise defined in the First Schedule to these Regulations.

**Application of these Regulations**

3. These Regulations apply to any person engaged in, or intending to engage in, continuing operations for the purpose of commercial air transport under either or both of the following:

- (a) the Air Navigation (121 — Commercial Air Transport by Large Aeroplanes) Regulations 2018 (G.N. No. S 444/2018);
- (b) the Air Navigation (135 — Commercial Air Transport by Helicopters and Small Aeroplanes) Regulations 2018 (G.N. No. S 445/2018).

PART 2

*Division 1 — General*

## **Requirement for air operator certificate**

4. A person, whose principal place of business is in Singapore, must not operate any aircraft for the purpose of commercial air transport except under and in accordance with an air operator certificate granted under these Regulations.

## **Application for, or to renew, air operator certificate**

5.—(1) A person applying for an air operator certificate (called in this Division an applicant) must —

- (a) provide the Authority with the particulars, information and documents specified in paragraph (2); and
- (b) pay to the Authority a non-refundable application fee, if specified in the Second Schedule.

(2) The particulars, information and documents required for an application mentioned in paragraph (1) are —

- (a) the name of the applicant;
- (b) the address of the applicant in Singapore;
- (c) the information that is required to be included in the applicant's operations specifications;
- (d) the applicant's —
  - (i) Operations Manual;
  - (ii) Training Manual;
  - (iii) Maintenance Control Manual;
  - (iv) aircraft flight manual and aircraft performance data;
  - (v) Safety Management System Manual or equivalent; and
  - (vi) quality system manual or equivalent; and
- (e) any other manuals, documents or particulars relating to the applicant as may be required by the Authority to decide the application.

(3) The application mentioned in paragraph (1) must be made to the Authority at least 6 months before the intended date of commencement of the applicant's commercial air transport operations (or such shorter period as the Authority may specify in any particular case).
