CONTROL OF VECTORS AND PESTICIDES ACT  
(CHAPTER 59, SECTION 60)

CONTROL OF VECTORS AND PESTICIDES (REGISTRATION, LICENSING AND  
CERTIFICATION) REGULATIONS

Rg 3

G.N. No. S 366/2000

REVISED EDITION 2004

(30th September 2004)

[1st September 2000]

PART I

PRELIMINARY

**Citation**

1. These Regulations may be cited as the Control of Vectors and Pesticides (Registration, Licensing and Certification) Regulations.

**Definitions**

2. In these Regulations —

“certified vector control worker” means a vector control worker who is granted a certificate or a provisional certificate under section 29 of the Act;

“licensed vector control technician” means a vector control technician who is granted a licence or a provisional licence under section 29 of the Act;

“registered vector control operator” means a vector control operator who is registered under section 29 of the Act.

PART II

VECTOR CONTROL TECHNICIAN AND VECTOR CONTROL WORKER

**Qualifications for licence or certificate**

3.—(1) A person who wishes to apply for a vector control technician’s licence must have —

- (a) a minimum educational qualification of 4 'N' Level passes or any other equivalent qualification acceptable to the Director-General; or

*[S 319/2013 wef 01/01/2013]*

- (b) 3 years working experience in vector control.

(2) A person who wishes to apply for a vector control worker's certificate must have at least a Primary 6 education or any other equivalent qualification acceptable to the Director-General.

(3) A person who wishes to apply for a vector control technician's licence or a vector control worker's certificate must successfully complete such training courses and pass such examinations as the Director-General may specify.

### **Medical examination**

4.—(1) Every licensed vector control technician and certified vector control worker shall —

- (a) undergo the medical examinations specified in Part II of the Workplace Safety and Health (Medical Examinations) Regulations 2011 (G.N. No. S 516/2011) (read with the Schedule thereto) in relation to persons employed in occupations involving the use or handling of or exposure to the liquid, fumes or vapour of organophosphates; and
- (b) after undergoing such medical examinations, be certified by the designated workplace doctor as defined by the Workplace Safety and Health (Medical Examinations) Regulations 2011 —
  - (i) in relation to a medical examination referred to in regulation 4 of the Workplace Safety and Health (Medical Examinations) Regulations 2011, that he is fit to work in such occupation;
  - (ii) in relation to a medical examination referred to in regulation 5 of the Workplace Safety and Health (Medical Examinations) Regulations 2011, that he is fit to continue to work in such occupation; and
  - (iii) in relation to a medical examination referred to in regulation 6 of the Workplace Safety and Health (Medical Examinations) Regulations 2011, as to such results of that medical examination as may be required by the Commissioner for Workplace Safety and Health (appointed under section 7 of the Workplace Safety and Health Act (Cap. 354A)).
