44 Radiological service licensee — records to be kept in relation to each radiological examination

45 Keeping of other records

46 Price transparency

47 Display of charges

48 Offence

No. S 1036

HEALTHCARE SERVICES ACT 2020
(ACT 3 OF 2020)

HEALTHCARE SERVICES
(CLINICAL LABORATORY SERVICE AND
RADIOLOGICAL SERVICE) REGULATIONS 2021

In exercise of the powers conferred by section 57 of the Healthcare Services Act 2020, the Minister for Health makes the following Regulations:

PART 1

PRELIMINARY

Citation and commencement

1. These Regulations are the Healthcare Services (Clinical Laboratory Service and Radiological Service) Regulations 2021 and come into operation on 3 January 2022.

Definitions

2. In these Regulations, unless the context otherwise requires —

“applicable service” means a clinical laboratory service or a radiological service, as the case may be;

“business name” has the meaning given by regulation 48(2) of the General Regulations;

“Clinical Governance Officer” means a Clinical Governance Officer appointed by a licensee under section 24(2) of the Act;

“clinical laboratory service licensee” means a person who holds a licence to provide a clinical laboratory service;

“collaborative prescribing practitioner” has the meaning given by regulation 56C(6) of the Private Hospitals and Medical Clinics Regulations (Rg 1);

“General Regulations” means the Healthcare Services (General) Regulations 2021 (G.N. No. S 1035/2021);

“imaging modality” has the meaning given by regulation 4(4);

“laboratory discipline” has the meaning given by regulation 4(4);

“licence” means a licence under the Act authorising the licensee to provide an applicable service;

“licensee” means a clinical laboratory service licensee or a radiological service licensee;

“patient” —

(a) in relation to a clinical laboratory service licensee, means the individual from whose body a specimen is derived for testing by or on behalf of the licensee; or

(b) in relation to a radiological service licensee, means the individual for whom a radiological examination is performed by or on behalf of the licensee;

“personnel”, in relation to a licensee, means any individual employed or engaged by the licensee to assist the licensee in providing the applicable service;

“radiological service licensee” means a person who holds a licence to provide a radiological service;

“requestor”, in relation to a patient, means —
