New Articles 25A to 25H

2. The Agreement is amended by inserting, immediately after Article 25 (Mutual Agreement Procedure), the following Articles:

“ARTICLE 25A

MANDATORY BINDING ARBITRATION

1. Where:

- (a) under Article 25 (Mutual Agreement Procedure), a person has presented a case to the competent authority of a Contracting State on the basis that the actions of one or both of the Contracting States have resulted for that person in taxation not in accordance with the provisions of the Agreement; and
- (b) the competent authorities are unable to reach an agreement to resolve that case pursuant to Article 25 (Mutual Agreement Procedure) within a period of three years beginning on the start date referred to in paragraph 8 or 9, as the case may be (unless, prior to the expiration of that period the competent authorities of the Contracting States have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in this Article and Articles 25B to 25H, according to any rules or procedures agreed upon by the competent authorities of the Contracting States pursuant to the provisions of paragraph 10.

2. Where a competent authority has suspended the mutual agreement procedure referred to in paragraph 1 because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in sub-paragraph (b) of paragraph 1 will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in sub-paragraph (b) of paragraph 1 will stop running until the suspension has been lifted.

3. Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in sub-paragraph (b) of paragraph 1, the period provided in sub-paragraph (b) of paragraph 1 shall be extended for an amount of time equal to the period beginning on the date by which the information was requested and ending on the date on which that information was provided.

4. (a) The arbitration decision with respect to the issues submitted to arbitration shall be

implemented through the mutual agreement concerning the case referred to in paragraph 1. The arbitration decision shall be final.

(b) The arbitration decision shall be binding on both Contracting States except in the following cases:

- (i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.
- (ii) if a final decision of the courts of one of the Contracting States holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph 1 shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 25C (Confidentiality of Arbitration Proceedings) and 25G (Costs of Arbitration Proceedings)). In such a case, a new request for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.
- (iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

5. The competent authority that received the initial request for a mutual agreement procedure as described in sub-paragraph (a) of paragraph 1 shall, within two calendar months of receiving the request:

- (a) send a notification to the person who presented the case that it has received the request; and
- (b) send a notification of that request, along with a copy of the request, to the competent authority of the other Contracting State.

6. Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other Contracting State) it shall either:

- (a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or
- (b) request additional information from that person for that purpose.

7. Where pursuant to sub-paragraph (b) of paragraph 6, one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that

requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

- (a) that it has received the requested information; or
- (b) that some of the requested information is still missing.

8. Where neither competent authority has requested additional information pursuant to sub-paragraph (b) of paragraph 6, the start date referred to in paragraph 1 shall be the earlier of:

- (a) the date on which both competent authorities have notified the person who presented the case pursuant to sub-paragraph (a) of paragraph 6; and
- (b) the date that is three calendar months after the notification to the competent authority of the other Contracting State pursuant to sub-paragraph (b) of paragraph 5.

9. Where additional information has been requested pursuant to sub-paragraph (b) of paragraph 6, the start date referred to in paragraph 1 shall be the earlier of:

- (a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to sub-paragraph (a) of paragraph 7; and
- (b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in sub-paragraph (b) of paragraph 7, such notification shall be treated as a request for additional information under sub-paragraph (b) of paragraph 6.

10. The competent authorities of the Contracting States shall by mutual agreement (pursuant to Article 25 (Mutual Agreement Procedure)) settle the mode of application of the provisions contained in this Article and Articles 25B to 25H, including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

11. Notwithstanding the preceding paragraphs of this Article:

- (a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by this Agreement shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either Contracting State;
- (b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a decision concerning the issue is rendered by a court or administrative tribunal of one of the Contracting States, the arbitration process shall terminate.

12. The provisions of this Article and Articles 25B to 25H shall not apply —

- (a) to any case involving the application of Singapore's general anti-avoidance rules
