CONTROL OF VECTORS AND PESTICIDES ACT

(CHAPTER 59)

(Original Enactment: Act 24 of 1998)

REVISED EDITION 2002

(31st December 2002)

An Act to consolidate and amend the law relating to the destruction of vectors and the control of vector-borne diseases; to provide for the control of the sale and use of pesticides and vector repellents; to provide for the registration, licensing and certification of persons engaged in vector control work, and for matters connected therewith.

[1st September 1998]

PART I

PRELIMINARY

Short title

1. This Act may be cited as the Control of Vectors and Pesticides Act.

Interpretation

2. In this Act, unless the context otherwise requires —

“active ingredient” means any substance contained in a pesticide or vector repellent which is responsible for the effect that the pesticide or vector repellent has on vectors;

“advertise” means to advertise, directly or indirectly, by means of spoken words or
