Legislative History

CONTROL OF PLANTS ACT (CHAPTER 57A, SECTION 48)

CONTROL OF PLANTS (AUTHORISED ANALYSTS) RULES

R 9

G.N. No. S 8/1999

REVISED EDITION 2000

(31st January 2000)

[8th January 1999]

Citation

1. These Rules may be cited as the Control of Plants (Authorised Analysts) Rules.

Prescribed qualification

2. For the purposes of section 3(2) of the Act, the prescribed qualification of an authorised analyst is a tertiary qualification in biology, microbiology, chemistry, toxicology, biotechnology, food technology, food science, nutrition, horticulture, veterinary medicine or such other science as may be approved by the Minister.

[G.N. No. S 8/99]
