### NOTICE 977 OF 2009

INDEPENDENT COMMUNICATIONS AUTHORITY OF SOUTH AFRICA  
(ICASA)

**THE INDEPENDENT COMMUNICATIONS AUTHORITY OF SOUTH AFRICA  
HEREBY GIVES NOTICE ON PUBLICATION OF APPLICATIONS FOR SELF-  
PROVISIONING (I-ECNS) BY SATELLITE BROADCASTING SERVICES  
LICENSEES**

The Independent Communications Authority of South Africa (ICASA) hereby invites interested persons to submit written responses to applications for Individual Electronic Communications Network Services by Broadcasting Service Licensees for the purpose of self-provisioning. The applications have been published on ICASA website:

[http:// www.icasa.org.za](http://www.icasa.org.za); the ICASA Library from Monday to Friday during the following working hours:

09h30 – 16h30

and also at the Regional Offices.

On 26 March 2009, the Authority issued an Invitation To Apply inviting broadcasting services licensees to apply for I-ECNS licence for the provisioning of broadcasting services through satellite infrastructure. The Authority received five (5) applications from the following applicants:

1. Walking on Waters (WoW);
2. e.tv;
3. On Digital Media (ODM);
4. Telkom Media; and
5. WorldSpace.
