Whereas:

- (1) Regulation (EC) No 1007/2009 establishes harmonised rules concerning the placing on the Union market of seal products. It lays down in its Article 3(1) the conditions for placing on the market of seal products resulting from hunts conducted by Inuit or other indigenous communities. At the time of placing seal products on the market, they are to be accompanied by a document attesting compliance with the conditions set out in Article 3(1) of Regulation (EC) No 1007/2009 issued by a body recognised for that purpose by the Commission.

- (3) In light of the amendments to Regulation (EC) No 1007/2009 by Regulation (EU) 2015/1775 of the European Parliament and of the Council<sup>(3)</sup> and of Commission Implementing Regulation (EU) 2015/1850<sup>(4)</sup>, the Commission adopted Decision C(2015) 7273<sup>(5)</sup> in addition to Decision C(2015) 5253.
- (4) On 4 August 2020, the Commission received a letter from the Department of Economic Development and Transportation of Nunavut dated 22 April 2020 requesting to amend the name of its recognised body to reflect a reorganisation inside the Government of Nunavut.
- (5) The Department of Economic Development and Transportation of Government of Nunavut asked for the name ‘Department of Environment, Government of Nunavut’ to be changed to ‘Government of Nunavut’.

**Changes to legislation:** There are currently no known outstanding effects for the  
Commission Implementing Decision (EU) 2020/2125. (See end of Document for details)

- (6) The Department of Economic Development and Transportation of Government of Nunavut specified that this change of name did not imply any change in the function and role of the recognised body.
- (7) The body ‘Government of Nunavut’ satisfies the requirements for recognised bodies set out in the third subparagraph of Article 3(1a) of Regulation (EC) No 1007/2009 and Article 3(1) of Implementing Regulation (EU) 2015/1850.
- (8) It is therefore appropriate to recognise the body ‘Government of Nunavut’ as a body that is authorised to issue documents attesting compliance with the conditions set out in Article 3(1) of Regulation (EC) No 1007/2009,
