COMMISSION IMPLEMENTING DECISION (EU) 2019/1167

of 28 June 2019

amending Implementing Decision (EU) 2017/2453 as  
regards the authorisation holders and the representatives

*(notified under document C(2019) 4610)*

(Only the Dutch and German texts are authentic)

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1829/2003 of the European Parliament and of the Council  
of 22 September 2003 on genetically modified food and feed<sup>(1)</sup>, and in particular Article 9(2)  
and Article 21(2) thereof,

Whereas:

- (1) Bayer CropScience N.V., based in Belgium, is a representative of Bayer CropScience LP, based in the United States, and an authorisation holder for the genetically modified oilseed rapes authorised by the Commission Implementing Decision (EU) 2017/2453<sup>(2)</sup>.
- (2) Monsanto Europe S.A., based in Belgium is a representative of Monsanto Company, based in the United States, and an authorisation holder for the genetically modified oilseed rapes authorised by that Implementing Decision.
- (3) By letter dated 1 August 2018, Bayer CropScience N.V., based in Belgium and Bayer CropScience LP, based in the United States, requested that the Commission transfers their rights and obligations pertaining to all their authorisations and pending applications for genetically modified products, to BASF Agricultural Solutions Seed US LLC, based in the United States. By letter dated 19 October 2018, BASF Agricultural Solutions Seed US LLC confirmed its agreement with this transfer and authorised BASF SE, based in Germany, to act as its representative in the Union.
- (4) By letter dated 27 August 2018, Monsanto Europe N.V., based in Belgium, informed the Commission that Monsanto Europe S.A./N.V. Belgium converted its legal form and changed its name to 'Bayer Agriculture BVBA', based in Belgium.
- (5) Implementing Decision (EU) 2017/2453 should therefore be amended accordingly.

---

**Changes to legislation:** There are currently no known outstanding effects for the  
Commission Implementing Decision (EU) 2019/1167. (See end of Document for details)

---

- (6) The proposed amendments to the authorisation decision are purely administrative in nature and do not entail a new assessment of the products concerned.
- (7) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS DECISION:
