Commission Directive (EU) 2018/933 of 29 June 2018 correcting the
German language version of Directive 2006/126/EC of the European
Parliament and of the Council on driving licences (Text with EEA relevance)

COMMISSION DIRECTIVE (EU) 2018/933

of 29 June 2018

correcting the German language version of Directive 2006/126/EC
of the European Parliament and of the Council on driving licences

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Directive 2006/126/EC of the European Parliament and of the Council of
20 December 2006 on driving licences[1], and in particular Article 8 thereof,

Whereas:

(1)   Errors appear in the German language version of Directive 2006/126/EC, more
        precisely in points 6.1 and 6.4 of Annex III concerning the minimum standards of
        physical and mental fitness for driving a power-driven vehicle, in particular as regards
        eyesight. The errors were introduced by Commission Directive 2009/113/EC[2].

(2)   The German language version of Directive 2006/126/EC should therefore be corrected
        accordingly. The other language versions are not affected

(3)   The measures provided for in this Directive are in accordance with the opinion of the
        Committee on driving licences,

HAS ADOPTED THIS DIRECTIVE:

Article 1

(does not concern the English language)

Article 2

1   Member States shall bring into force the laws, regulations and administrative
provisions necessary to comply with this Directive no later than one year after entry into force of
this Directive. They shall forthwith communicate to the Commission the text of those provisions.

When Member States adopt those provisions, they shall contain a reference to this
Directive or be accompanied by such a reference on the occasion of their official
publication. Member States shall determine how such reference is to be made.

2   Member States shall communicate to the Commission the text of the main provisions
of national law which they adopt in the field covered by this Directive.
