GOVERNMENT OF ZAMBIA

ACT

No. 15 of 2009

Date of Assent: 26th August, 2009

An Act to continue the existence of the Communications Authority and re-name it as the Zambia Information and Communication Technology Authority; provide for the regulation of information and communication technology; facilitate access to information and communication technologies; protect the rights and interests of service providers and consumers; repeal the Telecommunications Act, 1994, and the Radiocommunications Act, 1994; and provide for matters connected with or incidental to the foregoing.

[28th August, 2009

ENACTED by the Parliament of Zambia.

Enactment

PART I

PRELIMINARY

1. This Act may be cited as the Information and Communication Technologies Act, 2009, and shall come into operation on such date as the Minister may, by statutory instrument, appoint.

Short title and
commencement

2. (1) In this Act, unless the context otherwise requires—

Interpretation

“aircraft station” has the meaning assigned to it in the Second Schedule;

“amateur radio station” has the meaning assigned to it in the Second Schedule;

“Authority” means the Zambia Information and Communication Technology Authority referred to under section four;

“Board” means the Board of the Authority constituted under paragraph 1 of the First Schedule;

“broadcaster” means a person licenced to operate a broadcasting service under the Independent Broadcasting Authority Act;

Act No. 17
of 2002
