Contributors

Burt S. Barnow is the Amsterdam Professor of Public Service and Economics at George Washington University, USA. Prior to joining George Washington University, Dr Barnow was Associate Director for Research at Johns Hopkins University's Institute for Policy Studies. Prior to that, he worked at the Lewin Group and the US Department of Labor, including four years as Director of the Office of Research and Evaluation in the Employment and Training Administration. Dr Barnow teaches a doctoral programme seminar on public finance and human capital for public policy and public administration students. He has conducted evaluations of a variety of social programmes, including unemployment insurance, occupational training, performance measurement programmes, welfare, child support enforcement and responsible fatherhood programmes. He is currently leading the outcomes evaluation of the American Apprenticeship Initiative. Dr Barnow received a BS in Economics from Massachusetts Institute of Technology and a MS and PhD in economics from the University of Wisconsin at Madison.

Robert Cameron lectures Public Administration in the Department of Political Studies at the University of Cape Town, South Africa. He has written/co-written four books. His most recent book (2018) was a co-written publication on *Performance Management in Education in South Africa*. He is currently writing a book on *Public Sector Reform in South Africa*. He has also published around 90 journal articles and book chapters. These include articles published in internationally recognised journals such as *Public Administration*, *Public Administration and Development*, *Local Government Studies*, *International Review of Administrative Sciences* and *Development Policy Review*.
