Microfinance in East Africa – Schemes for Women in the Coffee Sector

Geneva: ITC, 2011. ix, 33 pages (Technical paper)

Doc. No. SC-11-195.E

Overview of the microfinance sector in East Africa with particular focus on schemes for women engaged in the production and processing of coffee in Uganda and Kenya – explains the role and importance of microfinance for women engaged in the coffee sector; presents the key players in microfinance in East Africa, and reviews the current trends; explains reasons for the limited coverage by microfinance of women engaged in the sector, and provides suggestions to increase it; outlines additional sources of information on the topic; includes detailed information on a number of microfinance institutions, as well as international non-governmental organizations and foundations involved in the microfinance sector.

Descriptors: **Microfinancing, Gender, Coffee, Uganda, Kenya, Eastern Africa, Africa.**
