CONCEPTUAL FRAMEWORK FOR THE STATISTICAL MEASUREMENT OF ILLICIT FINANCIAL FLOWS

This document was produced by UNCTAD (Development Statistics and Information Branch in consultation with Debt and Development Finance Branch) and UNODC (Research and Trends Analysis Branch). The UNCTAD-UNODC Task Force on the statistical measurement of illicit financial flows endorsed the conceptual framework as a basis for further work.

Expert advice and inputs

The *Conceptual Framework for the Statistical Measurement of Illicit Financial Flows* benefited from the expertise and advice of the members of the UNCTAD-UNODC Task Force on the statistical measurement of illicit financial flows. The feedback and expert contribution of Alexander Erskine, Peter Reuter and Federico Sallusti were also invaluable. Particular thanks are owed to the UNODC-INEGI Center of Excellence in Statistical Information on Government, Crime, Victimization and Justice for its input.
