This report was commissioned by UNDP and authored by UNDP consultant, Roshni Menon based on substantial inputs from the six participating pilot countries of the initiative, namely Bangladesh, Moldova, Mongolia, Senegal, Swaziland and Trinidad and Tobago. It is the outcome of an extensive consultation process within and between participating countries. Each country commissioned national level reports, which comprised the basis for this synthesis report. Special thanks go to the authors of these reports and the focal points who supported the project in the country offices:

- Bangladesh: Debapriya Bhattacharya and Towfiqul Islam Khan (Centre for Policy Dialogue), Mahmuda Afroz and Sheela Tasneem Haq (UNDP);
- Moldova: Alexandru Oprunenco (UNDP)
- Mongolia: Doljinsuren Jambal and Daniela Gasparikova (UNDP)
- Senegal: Souadou Sakho-Jimbira, (IPAR), Souleman Boukar (UNDP)
- Swaziland: Godwin Hlatshwayo (consultant), and Fatou Leigh (UNDP)
- Trinidad and Tobago: Bhesham Ramlal (consultant), Sharla Elcock, Isele Robinson-Cooper, and Stacy Richards Kennedy (UNDP).

The policy guidance and overall oversight for execution of the project was provided by Serge Kapto, Policy Specialist for Data for Development, Strategic Policy, Bureau for Policy and Programme Support.

UNDP is grateful to the Government of the Republic of Korea for its generous support without which this project would not have been possible.
