Development planning and HIV/AIDS in sub-Saharan Africa

By Mirjam van Donk

Final Report

Prepared for the UNDP Regional
Project on HIV and Development
in sub-Saharan Africa

July 2004

Contents

FOREWORD	1
ACKNOWLEDGEMENTS	2
ACRONYMS	3
1. INTRODUCTION	5
1.1. Introduction	5
1.2. Background to the study	5
1.3. Study aim and activities.....	5
1.4. Project management and execution	6
1.5. Overview of the report	6
2. DEVELOPMENT PLANNING IN SUB-SAHARAN AFRICA: A BRIEF OVERVIEW	9
2.1. Introduction	9
2.2. Four fundamental challenges	9
2.3. Responses to development challenges and progress achieved, 1950s-1999	10
<i>The 1950s and 1960s: the development era</i>	10
<i>The 1970s: crisis in development planning</i>	11
<i>The 1980s: structural adjustment</i>	13
<i>The 1990s: 'structural adjustment with a human face'</i>	15
2.4. Concluding comments	17
3. A TYPOLOGY OF DEVELOPMENT PLANNING IN SUB-SAHARAN AFRICA	21
3.1. Introduction	21
3.2. When planning fails: contested perspectives	21
3.3. (Re)Defining development planning	22
3.4. Typology of development planning and associated frameworks.....	23
<i>Key types of development planning in sub-Saharan Africa</i>	24
<i>Principal development planning frameworks</i>	25
3.5. Issues of integration and alignment.....	29
4. DEVELOPMENT PLANNING AND HIV/AIDS: AN ASSESSMENT OF PRINCIPAL DEVELOPMENT PLANNING FRAMEWORKS	31
4.1. Introduction	31
4.2. Conceptual shifts for an expanded response to HIV/AIDS	31
4.3. HIV/AIDS: a three-pronged response	32
<i>Prevention</i>	32
<i>Treatment and care</i>	33
<i>Impact mitigation</i>	33
4.4. Development planning and HIV/AIDS: a tentative framework for assessment.....	34
4.5. Exploring possible links between development planning and HIV/AIDS.....	38
<i>National Strategic Framework for HIV/AIDS</i>	38
<i>PRSP</i>	39
<i>MTEF</i>	40

Sector Plans	41
Rural / Urban Development Frameworks	43
4.6. Concluding observations	44
5. INTRODUCTION TO THE COUNTRY ASSESSMENTS	47
5.1. Introduction	47
5.2. The selection process	47
<i>Development planning frameworks</i>	48
<i>HIV prevalence</i>	48
<i>Status of development and other criteria</i>	48
5.3. Comparison of development profile of selected countries	51
<i>Adult HIV prevalence rate</i>	51
<i>Life expectancy</i>	51
<i>Trends in GDP growth</i>	52
<i>GNI per capita</i>	53
<i>Concluding comments</i>	53
5.4. Research methodology for country assessments	54
<i>Research questions</i>	54
<i>Research methodology</i>	54
<i>Research process</i>	55
<i>Challenges and difficulties encountered</i>	56
5.5. Structure of the country assessments	56
6. CAMEROON	57
6.1. Introduction	57
6.2. Overview of development trends since 1980	57
<i>Demographic trends</i>	57
<i>Economic performance and structure of the economy</i>	58
<i>Poverty and inequality</i>	58
<i>Human development</i>	59
<i>HIV/AIDS</i>	60
<i>Conclusion</i>	61
6.3. The core determinants and key consequences of HIV infection in Cameroon	61
<i>Core determinants</i>	61
<i>Key consequences</i>	62
6.4. Development planning and HIV/AIDS in Cameroon	63
<i>Development planning in Cameroon in historical context</i>	63
<i>The PRSP, 2003-2015</i>	64
<i>The MTEF, 2003-2015</i>	67
<i>The Strategic Framework for the Fight Against AIDS, 2000-2010</i>	69
<i>The Health Strategy, 2001-2010</i>	73
<i>The Education Strategy, 2001-2011</i>	75
<i>The Rural Development Strategy (DSDSR), 2002-2004</i>	77
<i>The planning process</i>	79
<i>Alignment and implementation of development planning frameworks</i>	80
<i>Concluding comments</i>	81
6.5. Conclusion	82
7. SENEGAL	83
7.1. Introduction	83
7.2. Overview of development trends since 1980	83
<i>Demographic trends</i>	84
<i>Economic performance and structure of the economy</i>	84
<i>Poverty and inequality</i>	84
<i>Human development</i>	85

	HIV/AIDS	86
	Conclusion	87
7.3.	The core determinants and key consequences of HIV infection in Senegal.....	88
	<i>Core determinants</i>	88
	<i>Key consequences</i>	89
7.4.	Development planning and HIV/AIDS in Senegal	89
	<i>Development planning in Senegal in historical context</i>	89
	<i>The 10th Economic and Social Development Plan, 2002-2007</i>	91
	<i>The PRSP, 2002-2015</i>	92
	<i>The Strategic Framework for the Fight Against AIDS, 2002-2006</i>	93
	<i>The National Plan for Health Development (PNDS), 1998-2007</i>	95
	<i>The Development Framework for Education and Training (PDEF), 2000-2010</i>	97
	<i>The Kaolack Regional Integrated Development Plan (PRDI), 2001-2005</i>	98
	<i>The planning process</i>	101
	<i>Alignment and implementation of development planning frameworks</i>	102
	<i>Concluding comments</i>	102
7.5.	Conclusion	103
8.	UGANDA	105
8.1.	Introduction	105
8.2.	Overview of development trends since 1980	105
	<i>Demographic trends</i>	105
	<i>Economic performance and structure of the economy</i>	106
	<i>Poverty and inequality</i>	106
	<i>Human development</i>	107
	HIV/AIDS	108
	Conclusion	109
8.3.	The core determinants and key consequences of HIV infection in Uganda	109
	<i>Core determinants</i>	110
	<i>Key consequences</i>	111
8.4.	Development planning and HIV/AIDS in Uganda	112
	<i>Development planning in Uganda in historical context</i>	112
	<i>The Poverty Eradication Action Plan (PEAP) 2001</i>	113
	<i>The MTEF, 2003/04-2005/06</i>	115
	<i>The National Strategic Framework for HIV/AIDS Activities (NSFA), 2000/01-2005/06</i>	118
	<i>The Plan for Modernisation of Agriculture (PMA) 2000</i>	119
	<i>The Health Sector Strategic Plan (HSSP), 2000/01-2004/05</i>	121
	<i>The Education Strategic Investment Plan (ESIP), 1998-2003</i>	123
	<i>The planning process</i>	125
	<i>Alignment and implementation of development planning frameworks</i>	128
	<i>Concluding comments</i>	128
8.5.	Conclusion	129
9.	ZIMBABWE	131
9.1.	Introduction	131
9.2.	Overview of development trends since 1980	131
	<i>Demographic trends</i>	131
	<i>Economic performance and structure of the economy</i>	132
	<i>Poverty and inequality</i>	133
	<i>Human development</i>	133
	HIV/AIDS	133
	Conclusion	134
9.3.	The core determinants and key consequences of HIV infection in Zimbabwe	135
	<i>Core determinants</i>	135
	<i>Key consequences</i>	136

9.4.	Development planning and HIV/AIDS in Zimbabwe	137
	<i>Development planning in Zimbabwe in historical context</i>	138
	<i>The National Economic Revival Programme (NERP)</i>	139
	<i>The National HIV/AIDS Strategic Framework</i>	141
	<i>The 2003 Revival Action Plan, Ministry of Health and Child Welfare</i>	144
	<i>The Plan of Action for the Ministry of Education, Sports and Culture</i>	145
	<i>The planning process</i>	147
	<i>Alignment and implementation of development planning frameworks</i>	148
9.5.	Conclusion	149
10.	SYNTHESIS OF COUNTRY ASSESSMENTS.....	151
10.1.	Introduction	151
10.2.	Development planning and HIV prevention: reducing vulnerability?	151
	<i>Factors facilitating HIV spread according to interview respondents</i>	154
10.3.	Development planning and the key consequences of HIV infection	155
	<i>Key consequences of HIV/AIDS identified by interview respondents</i>	157
10.4	Development planning: an implicit contribution to HIV vulnerability reduction?	158
10.5.	Concluding remarks	160
11.	CONCLUSION AND RECOMMENDATIONS.....	163
11.1.	Introduction	163
11.2.	Key lessons and conclusions.....	164
11.3.	Recommendations	168
	BIBLIOGRAPHY	173

Appendices

Appendix 1.	Assessing the link between rural development planning and HIV/AIDS	181
Appendix 2.	Country Profiles.....	183
	<i>Country Profile of Cameroon</i>	184
	<i>Country Profile of Senegal</i>	186
	<i>Country Profile of Uganda</i>	188
	<i>Country Profile of Zimbabwe</i>	190
Appendix 3.	List of respondents	192

LIST OF TABLES, GRAPHS AND BOXES

Tables

Table 2.1.	Enrolment ratios in sub-Saharan Africa, 1960-1997	11
Table 2.2.	Poverty trends in African LDCs, 1965-1999	14
Table 2.3.	Overview of dominant theories of development	19
Table 3.1.	Overview of key types of development planning in sub-Saharan Africa, 1960s-1990s	30
Table 4.1.	Template to assess possible links between development planning and HIV/AIDS	37
Table 4.2.	Assessing the link between economic development planning and HIV/AIDS: The stabilisation approach of the 1980s	38
Table 5.1.	Selected development planning frameworks in eligible countries (end of March 2003).....	48
Table 5.2.	Selection process and results of the UNDP study	50
Table 6.1.	Explicit objectives in Cameroon's development planning frameworks	78
Table 7.1.	Explicit objectives in Senegal's development planning frameworks	100
Table 8.1.	Explicit objectives in Uganda's development planning frameworks	124
Table 9.1.	Possible links between HIV/AIDS and the NERP	142
Table 9.2.	Explicit objectives in Zimbabwe's development planning frameworks	146
Table 10.1.	Consideration given to HIV/AIDS in the development planning frameworks of Cameroon, Senegal, Uganda and Zimbabwe.....	153

Graphs

Graph 2.1.	Poverty trends in African LDCs, 1965-1999	14
Graph 2.2.	Trends in GDP growth (%), 1990s	16
Graph 2.3.	Trends in GNI per capita (US\$) in the 1990s	16
Graph 3.1.	Ideal type linkages between development planning frameworks	29
Graph 5.1.	Adult HIV prevalence rate in eligible countries, 2001 (%)	49
Graph 5.2.	Spread of HIV over time in selected countries	51
Graph 5.3.	Life expectancy in selected countries, 1990-2001	52
Graph 5.4.	Trends in GDP growth in selected countries, 1980-1999	52
Graph 5.5.	Trends in GNI per capita in selected countries, 1980-1999	53
Graph 5.6.	From a narrow approach to a developmental approach to HIV/AIDS	55
Graph 6.1.	Life expectancy and HIV prevalence rate in Cameroon	60
Graph 7.1.	School enrolment in Senegal, 1991-1999.....	85
Graph 7.2.	Senegal's planning system	90
Graph 8.1.	GDP per capita in Uganda, 1980-2000.....	107
Graph 9.1.	GDP growth (%) in Zimbabwe, 1980-2000	132
Graph 9.2.	GNI per capita in Zimbabwe, 1985-2000	132
Graph 9.3.	HIV prevalence rates in Zimbabwe, 1990-2001	134

Boxes

Box 2.1.	Key characteristics of economic planning in sub-Saharan Africa	13
Box 5.1.	Principal planning frameworks and related documents	54
Box 10.1.	Most commonly identified factors of vulnerability to HIV infection by respondents	154
Box 10.2.	Most commonly identified key consequences of HIV/AIDS by respondents	157
