Building momentum to respond to the crisis, recover from it, and reset for the future ....	76
The response, recovery and reset is about life across Africa and around the world.....	76
Annex .....	77

António Guterres  
United Nations Secretary-General

**"Making peace with nature is the defining task of the 21st century. It must be the top, top priority for everyone, everywhere."**

"It is time to flick the 'green switch'. We have a chance to not simply reset the world economy, but to transform it. A sustainable economy driven by renewable energy will create new jobs, cleaner infrastructure and a resilient future."

## **ACKNOWLEDGEMENTS**

This report was prepared under the overall leadership of the Executive Secretary of the Economic Commission for Africa (ECA), Vera Songwe.

The report team consisted of Jean Paul Adam, Bartholomew Armah, Linus Mofor, Marit Kitaw, Habiba Ben Barka, Tunde Fafunwa, James Murombedzi, Mactar Seck, Victor Konde and Dobrina Poirier from ECA, Dileimy Orozco and Ronan Palmer from E3G, Jamie Drummond, and Michael Hugman from the Children's Investment Fund Foundation.

In addition to the drafting team, significant contributions were made by the following ECA staff: Nassim Oulmane, Nassirou Mamadou Ba, Louis Lubango, Charles Akol, Frank Rutabingwa, Mekalia Paulos, Yosef Amha, Charles Muraya, Laetitia Montero Catusse, John Sloan, Nonduduzo Ndlovu, Geoffrey Manyara, Daya Bragante, Joseph Attah-Mensah, Stephen Karingi, Jamie Macleod, Hopestone Kayiska Chavula, Christine Achieng Awiti, Yesuf Awal, Jean Paul Boketsu, Amandine Nakumuryango, Muazu Abraham, Nimonka Bayale, Opeyemi Akinyemi, Bosede Olanike, Jane John Mpapalika, Yohannes Hailu, Robert Lisinge, Anthony Monganeli Mehlwana, Jane Karonga, Adrian Gauci and Bakary Dosso.

Support was provided by a large number of agencies and African ministers of finance and development, and drew on rich discussions of the meetings of the Financing for Development in the Era of COVID-19 and Beyond initiative, chaired by the Prime Minister of Canada, Justin Trudeau, the Prime Minister of Jamaica, Andrew Holness, and the United Nations Secretary-General, António Guterres.

We would also like to extend special thanks to the following institutions and individuals for their support and guidance during the preparation of this report: Brian O'Callaghan from Oxford University, Julia Bird from Vivid Economics, James Mwangi from Dahlberg, Jamal Saghir from the Global Center on Adaptation, the African Development Bank, and a range of United Nations agencies, including the United Nations Environment Programme (UNEP), the United Nations Development Programme (UNDP), the Food and Agriculture Organization of the United Nations (FAO), the World Health Organization (WHO), the World Meteorological Organization (WMO), and the United Nations Conference on Trade and Development (UNCTAD).

The report was prepared for publication by the Publications and Conference Management Section at ECA.
