The Harmonized Framework for the New Urban Agenda in Africa was developed under the political leadership of the Subcommittee on Human Settlement and Urban Development of the Specialized Technical Committee on Public Service, Local Government, Urban Development and Decentralization of the African Union, along with the technical leadership of the Economic Commission for Africa, in partnership with the United Nations Human Settlements Programme.

The framework was prepared under the leadership of Vera Songwe, Executive Secretary of the Economic Commission for Africa (ECA); Minata Samate Cessouma, Commissioner for Political Affairs of the African Union Commission (AUC); and Maimunah Mohd Sharif, Executive Director of the United Nations Human Settlements Programme (UN-Habitat).

The preparation of the framework benefitted from the guidance and coordination of Thokozile Ruzvidzo, Director of the Gender, Poverty, and Social Policy Division (ECA); Khabele Matlosa, Director of Political Affairs (AUC); and Naison Mutizwa-Mangiza, Director of Regional Office for Africa (UN-Habitat).

Preparation of the framework was technically coordinated by a core team led by Edlam Abera Yemeru, Sandra Zawedde (ECA), Issaka Garba Abdou (AUC) and Claude Ngomsa (UN-Habitat).
