# The Economy Division hosts initiatives:

## And works to:

- Capitalize on our convening power to scale up action in short time frames and make strategic interventions for change;
- Involve key stakeholders in the design and the planning of initiatives;
- Design the initiative in an integrated fashion, without losing the environmental entry point or lens;
- Highlight multiple benefits of actions;
- Deliver in partnership mode, and focus from the local to the global and from the global to the local;
- Build platforms of motivated partners addressing UN Environment's bigger agendas.
