

GEO-6 Work Programme

Notes: Preparatory virtual meetings through the end of 2016 with co-chairs, authors, HLG and SAP will be organized.

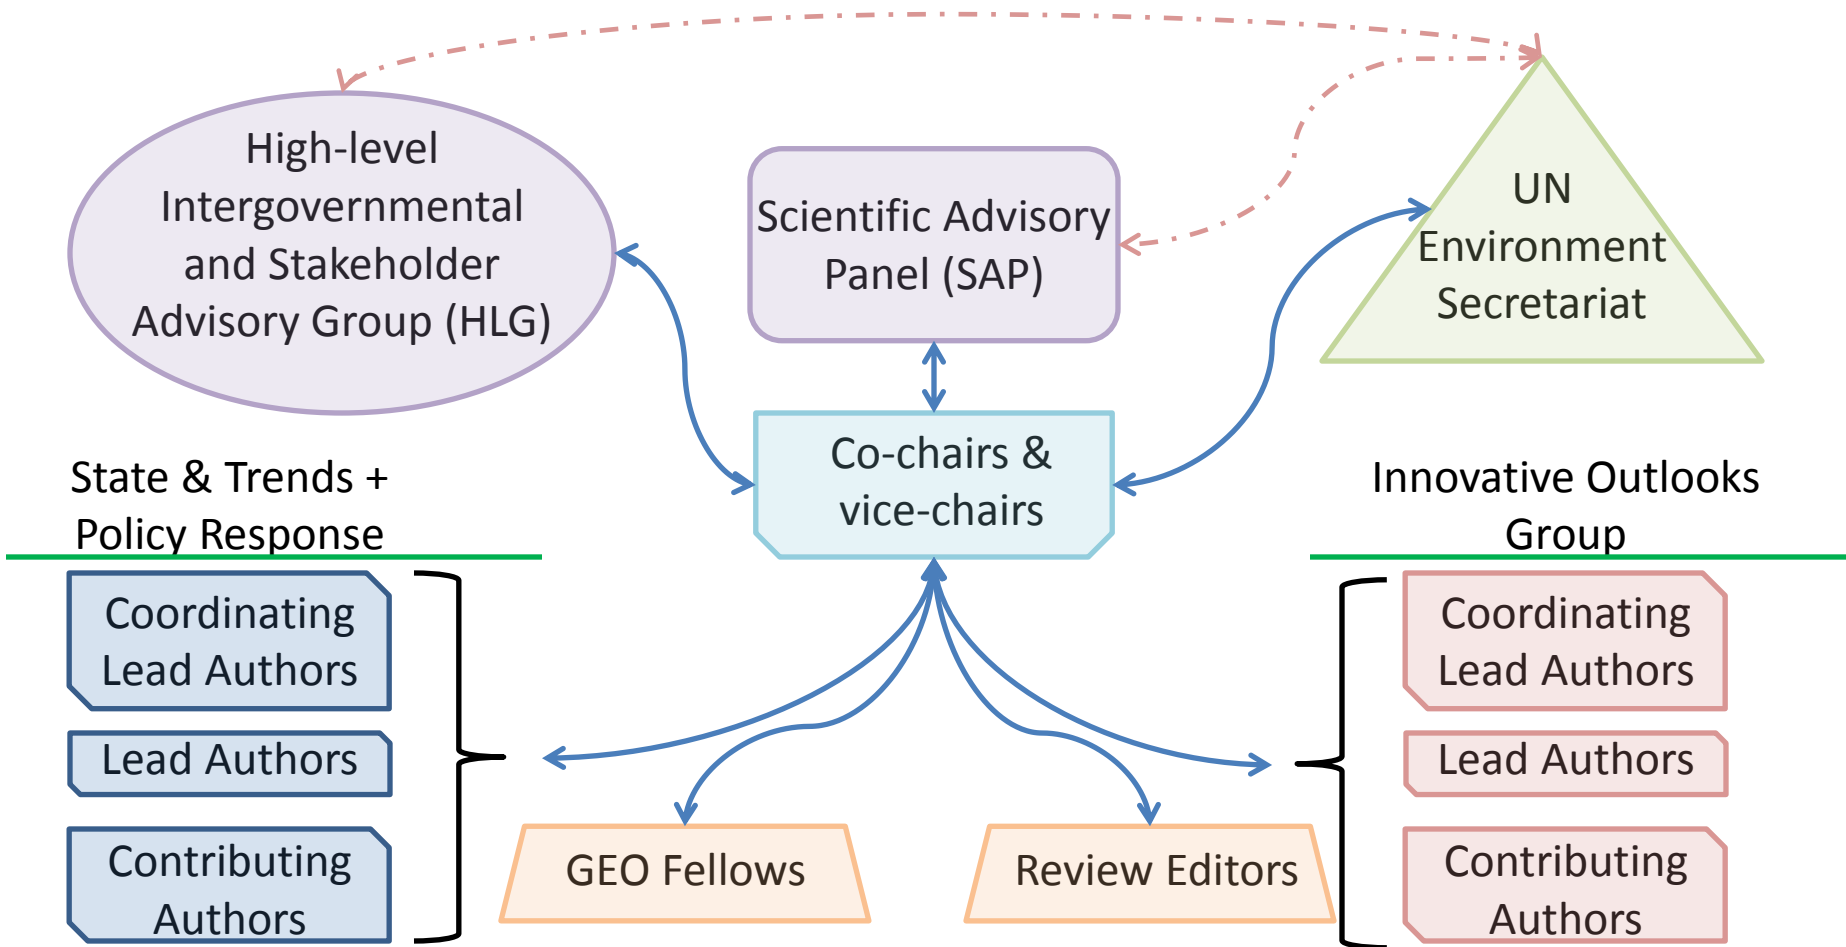

Document production for progress report to UNEA-3 will occur in Nov. 2017.

Document production for GEO-6 and translation of SPM will occur in March/April, 2019.

Acronyms: High Level Intergovernmental and Stakeholder Advisory Group (HLG), Scientific Advisory Panel (SAP)

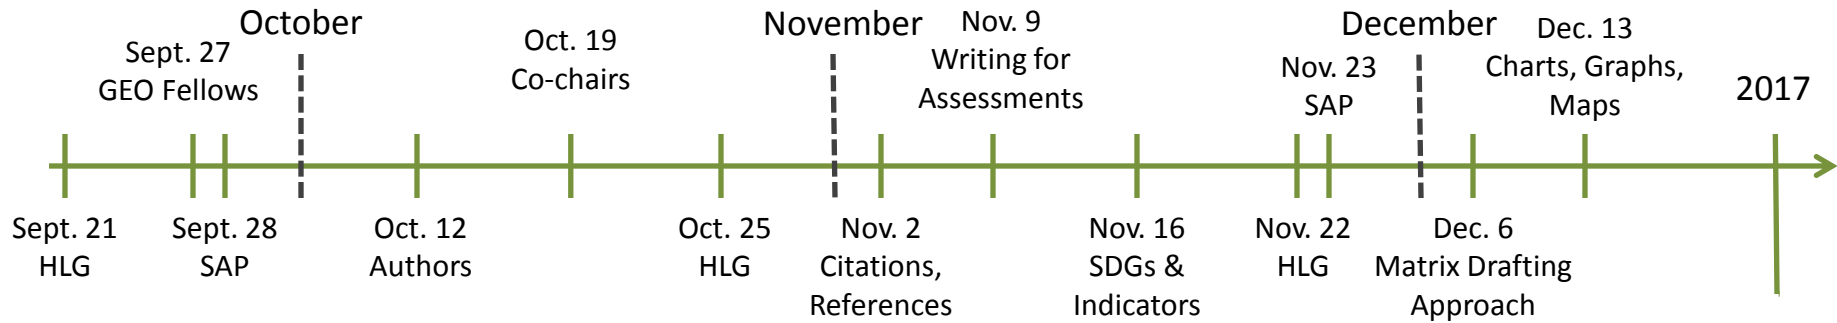

Global Environment Outlooks (GEO), Summary for Policy Makers (SPM)

Working Structure of GEO-6

- Review draft of S&T+PR available end of May, 2017
- Full GEO-6 review draft available end of April, 2018
- Separate technical and intergovernmental review periods in 2017 and 2018.

GEO-6 2016 Timeline

- Monthly HLG planning calls – timeline, deliverables, budget, policy approach etc.;
- 2 SAP planning calls – guidance to authors, ensuring scientific integrity, SAP interaction with Co-chairs, etc.
- Regular Co-chairs calls (likely bi-weekly) – orientation, co-chair approach, working style with vice-chairs and Secretariat;
- Face-to-face Co-chairs meeting in Bonn (mid-Oct.) – Overall GEO-6 planning + coordination with IPBES;
- 6 Authors calls – overall workplan and timeline + 5 orientation sessions (webinars) to prepare for February meeting.
- Internal UNEP coordination meetings – core focal points for environmental themes and cross-cutting issues (Economics Division, Ecosystem Division, Law Division, SDGs, etc.)
- Coordination meetings with science bodies (IPBES, IPCC, BRS, Ozone, etc.)

Advisory
Bodies

Co-chairs &
vice-chairs

Authors

Secretariat

Conventions

Note: Logistics for the February meeting will continue in parallel so that participants are well informed in advance and can plan accordingly.

New GEO Website

The screenshot shows the homepage of the GEO website. At the top is a blue header with the UNEP logo and the text 'Programme environment for development'. Below this is a navigation bar with links for 'Climate Change', 'Disasters & Conflicts', 'Ecosystem Management', 'Environmental Governance', 'Chemicals & Waste', 'Resource Efficiency', and 'Environment Under Review'. The main content area features a large green banner for 'GEO-6 HIGH LEVEL GROUP MEETS TO LAUNCH GLOBAL ASSESSMENT PROCESS' with a group photo of the participants. Below the banner are sections for 'ABOUT GEO', 'PUBLICATIONS', 'ASSESSMENT DATA & TOOLS', and 'GEO-6 PROCESS'. The 'ABOUT GEO' section includes a photo of a person in a field and a description of what an assessment is. The 'PUBLICATIONS' section features a book cover for 'MEASURING PROGRESS'. The 'ASSESSMENT DATA & TOOLS' section lists various resources like UNEPLive, Assessment Data, and GEO Tools and Training. The 'GEO-6 PROCESS' section includes a photo of children in a field and a description of the sixth edition of the UNEP flagship Global Environment Outlook.
