THE ROYAL BOTANIC GARDENS, KEW

The mission of the Royal Botanic Gardens, Kew, is to ensure better management of the Earth's environment by increasing our knowledge and understanding of the plant kingdom: the basis of life on Earth.

Whenever possible, the Royal Botanic Gardens, Kew, will endeavour to reduce and reverse the rate of destruction of the world's plant species and their habitats.

WORLD CONSERVATION MONITORING CENTRE

The World Conservation Monitoring Centre is a joint venture between the three partners in the World Conservation Strategy: IUCN – The World Conservation Union, UNEP – United Nations Environment Programme, and WWF – World Wide Fund for Nature (Formerly World Wildlife Fund). Its mission is to support conservation and sustainable development through the provision of information on the world's biological diversity.
