**UNNExT Workshop on Implementation of e-SPS and  
Automation for Agriculture Trade Facilitation  
1-3 November 2016**

**United Nations Conference Centre  
Bangkok, Thailand**

# The Objective of Group Work Session

- ❑ To conduct a feasibility study of developing **electronic Phytosanitary Certificate (PC) issuance system** suitable for the country context

# Proposed Tasks

- ❑ Identify **potential benefits** of the national e-Phytosanitary Certification system
- ❑ Identify and prioritize **challenges**, and how to address those challenges of e-Phytosanitary Certification Implementation
  - **Political and Legal**, e.g.
    - Will we get a political support from the Director General?
    - Is there any legal obstacle?
  - **Organizational**, e.g.
    - Will it be too difficult for traders to use the system?
    - Will there be any resistance from any key departments?
