

**Fourth meeting of the Expert Group on Disaster-related Statistics**  
**Organized by UNESCAP in collaboration with the Philippines National Statistics Authority**  
3 – 6 October, 2016, Mandaluyong, Philippines

**Background**

The focus for the 4th Meeting of the Expert Group on Disaster-related Statistics is a review of progress and provisional outcomes and recommendations from the pilot studies conducted by the volunteer expert group focal points four countries (Bangladesh, Fiji, Indonesia and the Philippines). An aim of the pilot studies is to strengthen the Expert Group's understanding of existing statistics in countries and to identify areas where the quality of the statistics (including international comparability) may be improved through the cooperative development of technical guidance on measurement. This meeting of the Expert Group will assess progress and lessons learned from the pilot studies, focussing on the implications towards the Group's implementation of ESCAP Resolutions 70/2 and 72/11 (Advancing disaster-related statistics in Asia and the Pacific for implementation of internationally agreed development goals).

A comprehensive draft report of the pilot studies has been prepared by the secretariat for review and comment by Expert Group members. Included in the meeting agenda is an opportunity for detailed discussions on each of the main components of the Expert Group's draft framework (DRSF). As with the previous meetings, participation will consist of the nominated experts from national statistics offices (NSOs) and national disaster management agencies (NDMAs).

This Expert Group Meeting is organized in connection with the Philippines' 13<sup>th</sup> National Convention on Statistics (NCS). Multiple sessions during the NCS will also feature presentations on disaster-related statistics. Thus, in addition to attending the designation sessions for the Expert Group, participants will have the opportunity to exchange views and ideas with a broader audience participating in the 13th NCS.

## Tentative Programme

Monday, 3 October (special session of 13th Philippines NCS)	
13:15 – 16:45	<p>Preparatory seminar for volunteer pilot presenting during the NCS sessions</p> <ol style="list-style-type: none"> <li>1. Opening</li> <li>2. Overview of the DRSF and pilot testing</li> <li>3. Review of topics of individual presentations from Expert Group members               <ul style="list-style-type: none"> <li>✓ Bangladesh</li> <li>✓ Fiji</li> <li>✓ Mongolia</li> <li>✓ Philippines</li> <li>✓ ESCAP</li> </ul> </li> <li>4. Discussion: Analysis and synthesis of the findings and lessons</li> <li>5. Conclusion</li> </ol>
Tuesday, 4 October (special session of 13th Philippines NCS)	
08:30 – 10:00	<p>Special Session at the 13th National Statistics Convention on utilizing currently available statistics to respond to emerging demands for official statistics on disasters</p> <ul style="list-style-type: none"> <li>• Analysis of findings of DRSF Pilot testing from perspective of SDGs and Sendai Framework, Daniel Clarke, UNESCAP</li> <li>• The Development of Disaster Statistics for Disaster Risk Reduction and Management, Romeo S. Recide, Vivian R. Ilarina, Edward Eugenio P. Lopez-Dee, Ma. Libertie V. Masculino, and Virginia M. Bathan, Philippines Statistics Authority</li> <li>• Findings on the Provisional Compilation of the Provisional Disaster Related Statistics Framework (DRSF) in the Philippines, Ma. Libertie V. Masculino, Philippines Statistics Authority</li> <li>• Findings from Pilot Study of Available Statistics in Fiji, Poasa Naimila, Fiji Bureau of Statistics</li> </ul>
10:30-12:00	<p>Special Session at the 13th National Statistics Convention on innovations for improvement of official statistics on disasters</p> <ul style="list-style-type: none"> <li>• GIS for compilation and production of new statistics on disaster risk reduction by national governments, Jean-Louis Weber, Expert Group Member and International Consultant</li> <li>• “Coping with Climate shocks in Mongolia” household panel survey, Ch. Tungalag, National Statistics Office of Mongolia</li> <li>• Innovations for Improvement of Official Statistics on Disasters: Bangladesh Experience, Md. Rafiqul Islam, Deputy Director,</li> </ul>

Bangladesh Bureau of Statistics	
Wednesday, 5 October (First day of Expert Group Meeting)	
09:00 – 10:30	<p>Session 1: Opening</p> <ul style="list-style-type: none"> <li>• Opening Remarks by Dr. Lisa Grace S. Bersales, National Statistician and Civil Registrar General of PSA</li> <li>• Briefing on Expert Group background &amp; programme of work</li> <li>• Mechanics of the 4th Expert Group Meeting</li> <li>• Participant Introductions</li> </ul>
10:30 – 11:00	<i>Break</i>
11:00 – 11:30	<p>Session 2: Review of DRSF &amp; Pilot Study Work during 2016</p> <ul style="list-style-type: none"> <li>• Presentation by Secretariat on DRSF and general findings from pilot study</li> </ul>
11:30-12:00	<p>Review of DRSF Pilot Study Report Sections 3.1, 3.2 and 3.3</p> <ul style="list-style-type: none"> <li>• Counting/Identifying Disaster occurrences</li> <li>• Classifying Disaster Hazard Types</li> </ul>
13:00 – 14:00	<i>Lunch</i>
14:00 – 14:50	<p>Session 2 (cont'd)</p> <ul style="list-style-type: none"> <li>• Presentation (via video conference) from the National Agency for Disaster Mangement of Indonesia (BNPB) on DRSF Pilot Study and current issues for disaster-related statistical development in Indonesia, Hermawan Agustina</li> </ul>
14:50 – 15:30	<ul style="list-style-type: none"> <li>• Pilot Study Work related to Hazard exposure</li> </ul> <p>Review of DRSF Pilot Study Report Sections 3.3 &amp; 3.4</p> <ul style="list-style-type: none"> <li>• Affected Population Statistics</li> <li>• Disaggregation by Social Groups Categories</li> </ul>
16:00 – 16:50	15:30 – 16:00 Break
16:50-17:30	<p>Review of DRSF Pilot Study Report Sections 3.5 &amp; 3.6</p> <ul style="list-style-type: none"> <li>• Economic Loss Statistics</li> <li>• Use of Post-disaster Needs Assessment Surveys'</li> </ul>

	Summary, wrap of session 2
<b>Thursday, 6 October (2nd Day of Expert Group Meeting)</b>	
10:15-11:15	<p>Session 3: Discussion on Next steps for a Basic Range of Disaster Related Statistics</p> <ul style="list-style-type: none"> <li>• Overview Summary from Session 2</li> <li>• Update on the OEIWG process, Ms. Ritsuko Yamazaki-Honda, UNISDR</li> <li>• Japan Feasibility Assessment of SFDRR Indicators, Mr. Kimio Takeya, Japan</li> </ul>
11:00-11:15	Break
11:15-12:00	<ul style="list-style-type: none"> <li>• DRSF Research Agenda, Pilot Study Phase II</li> </ul>
12:00 – 13:00	<i>Lunch</i>
13:00-15:30	<p>Session 7: Expert Group Management &amp; Way Forward (2016-2018)</p> <ul style="list-style-type: none"> <li>• Membership and TOR of the Expert Group</li> <li>• Election of Chairs</li> <li>• Coordination with other groups and processes</li> <li>• Report to the 5<sup>th</sup> session of the Committee on Statistics</li> <li>• Fifth Session of Committee on Statistics, December 2017</li> </ul> <p>Session 8: Closing</p> <p>Wrap up and closing statements</p>
