

Tea - the drink second only
to water

Sri Lanka's Tea industry - Overview

- The prime export agricultural product in Sri Lanka for over 200 years
- 02% of GDP
- 05% of the population directly or indirectly involved
- Industry is dominated by local multi national firms
- Their concerns
 - Maintain supremacy in quality /price
 - Protection from local and foreign competition

Automation of tea export procedure: The experience of Sri Lanka

By T S A De Silva

Tea export system

- Bulk of the tea is sent to brokers to sell at Colombo Tea Auction
- Teas purchased are blended to be exported (in different forms)
- Regulated by the Sri Lanka Tea Board (SLTB) (Production to export)
- Export permits issued by SLTB
- Customs monitor

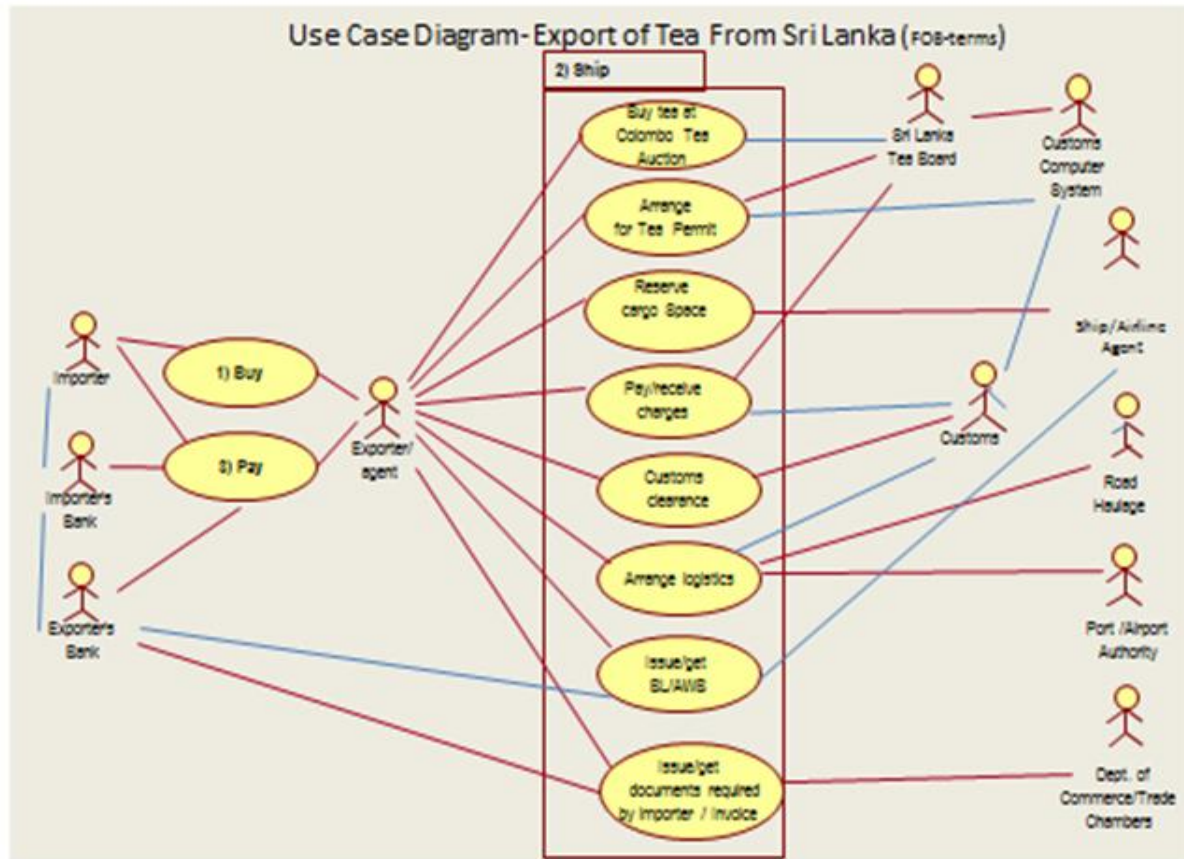

Path to automation - SRILPRO 1980

- Reduction of licences/permits
- Elimination of redundant procedures / paperwork in logistics (66 forms for 10)
- 11 forms for 11 types of Tea)
- Aligned documents with UNLK
- Registration number to identify exporters
- Introduction of Standard codes--HS LOCODES , INCOTERMS

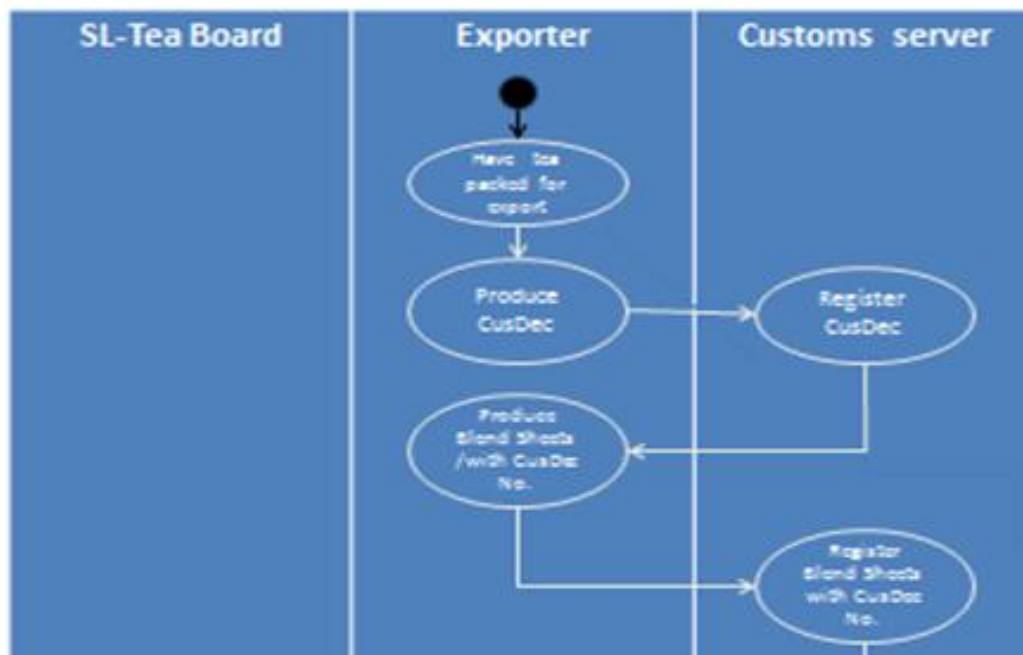

Automation efforts

- 1986/1987 ADP/EDP Sub-Committee
- 1995 EDI
- ASYCUDA 1997
- eServices 2002 (EDI)
- ASYCUDA ++
- ASYCUDA World

Use Case
